The Truth About Deception and Its Consequences Bill Vincent,2023-03-01 I give thanks to you Lord When you issue warnings we will pay attention and take you at your word that they are sent for a purpose You said to send out a sneak attack warning Lord That is exactly what the enemy is attempting to do infiltrate the body of Christ in such a way that salvation will no longer be typical in the church and children will become more disobedient and rebellious than they have ever been Lord Jesus thank you First and first I want you to know that much of this has been discussed in our home before I ever preach it Warning of a sneak attack God stated as he handed me a title When I say sneak attack I m not referring to the events of

September 11th I m not talking about a jet colliding with the side of a building I m not referring to any kind of terrorism What I m talking about is the enemy infiltrating the church and the enemy infiltrating the school in such a subtle way that we accept it as common law We are accepting the changes that are occurring in the world and we must halt this practice We aren t in China at all We aren t in the Russian Federation We are in the United States of America which was founded on God and should continue to be founded on God Hallelujah I want you to realize that our country is in desperate need Our kids are the most defiant I ve ever seen in my life I thought I was rebellious but my goodness I had never heard of the term I want you to understand that I ve been seeing things in the spirit for a long time and God has given me names for some of the enemy s methods and tools that some of us don t see because our schools are pushing it and things are moving in this direction God has been speaking for some time but I want you to know what the enemy is using for sneak attacks He is utilizing things and every few months God begins to lay things thoroughly in my heart to put God s finger on it This is more like a Lord s Watchman and I want you to understand that every time God does something like this it s incredibly powerful and it s for a specific reason This I feel will be the most important of them all This is the most critical time to defend our children before they are taken down by the adversary What s been going on in this region has been the most severe moment and some of you should be able to connect to it Let me tell you about some of the things that are happening on right now It has nothing to do with race It has nothing to do with what is going on in this country What s going on in this country is that a monster from hell is attempting to kidnap children and claim them as his own I m telling you some of us aren t aware of this and believe that all children are safe They re good they re secure Let me say something now I know that there are more sexual encounters going on between children as young as 12 13 years old than you might expect Don t assume that simply because you think so your child is always safe I m not here to create a following I want you to be aware that Satan is use television Hollywood and even book authors to bring us down Satan is using them to entice children into disobedience Apps which can be downloaded to any phone are being used to entice and divert the children

Lt. Spalding in Civil War Louisiana Michael D. Pierson,2016-11-02 In July 1862 Union Lieutenant Stephen Spalding wrote a long letter from his post in Algiers Louisiana to his former college roommate Equally fascinating and unsettling for modern readers the comic cynicism of the young soldier s correspondence offers an unusually candid and intimate account of military life and social change on the southern front A captivating primary source Spalding s letter is reproduced here for the first time along with contextual analysis and biographical detail by Michael D Pierson Lt Spalding in Civil War Louisiana lifts the curtain on the twenty two year old s elitist social attitudes and his consuming ambition examining the mind of a man of privilege as he turns to humor to cope with unwelcome realities Spalding and his correspondent James Peck both graduates of the University of Vermont lived in a society dominated by elite young men with advantages granted by wealth gender race and birth Caught in the middle of the Civil War Spalding adopts a light hearted tone in his letter both to mask his most intimate thoughts and fears and distance himself from those he perceives as social inferiors His jokes show us an unpleasantly stratified America with blacks women and the men in the ranks subjected to ridicule and even physical abuse by an officer with more assertiveness than experience His longest story a wild escapade in New Orleans that included abundant drinking and visits to two brothels gives us a glimpse of a world in which men bonded through excess and indulgence More poignantly tactless jests about death told as his unit suffers its first casualties reveal a man struggling to come to terms with mortality Evidence of Spalding s unfulfilled aspirations like his sometimes disturbing wit allows readers to see past his entitlement to his human weaknesses An engrossing picture of a charismatic but flawed young officer Lt Spalding in Civil War Louisiana offers new ways to look at the society that shaped him
