bringing large numbers of people together in a shared celebration and performance of the past they also involved many prominent novelists professional historians and other writers as well as featuring repeatedly in popular and highbrow literature Although the pageant tradition has largely died out it deserves to be acknowledged as a key aspect of community history during a period of great social and political change Indeed as this book shows some traces of pageant fever remain in evidence today     Forthcoming Books Rose Arny,1999     **The Literary Guide and Rationalist Review** ,1925
