The Bro Code of Saudi Culture Abdul Al Lily, 2018-09-01 Every culture is governed by an internal code of conduct and this publication captures the code of Saudi culture Most Saudi norms have long been unwritten and only orally communicated among citizens As a result visitors to the country have been unable to read about these norms For this reason this book spells out these norms in bold print It provides bite sized descriptions of the Saudi It is informed by around 2 000 interviews with Saudis and expats It is the first to talk about the culture in a purely descriptive and therefore non judgemental manner Writings about Saudi culture tend to be too serious however this publication is meant not to be taken too seriously It is rather intended to be entertaining and surely informative It is written mostly on the toilet and is likewise meant to be read on the toilet It avoids being biased recording both negative and positive norms It tries to avoid using such sensitive words as religion and politics considering that it is written entirely for cultural orientation not for religious or political matters The book is the first to be written by a male Saudi who was born and raised in the country who is still based there who is a former officially recognised imam i e a worship leader and who comes from a working class family Yet he is a traveller professor and Oxford graduate He has been with people from different ethnicities He has published in different languages and with globally known publishers Hence he has shown an ability to communicate with international readers and convey information to foreign mentalities

Heartless English Edition JONAXX, 2023-06-02 Rozen Elizalde knows what he wants and won't let anyone or anything stop him from getting them He is strong willed driven stubborn and resolute which causes him to clash with the people around him including his family Despite all that Rozen proves himself to be faithful caring and protective Coreen Aquino likes to play things safe and is always caught in the middle of two big choices She thrives in that constant state of uncertainty forcing others to wait for her to make decisions But when push comes to shove Coreen is prepared to sacrifice for the people she loves even if it means leaving the safety of her comfortable state of limbo Rozen has been pining for Coreen since they were children but Coreen likes his brother Noah more and has not exactly been subtle with her feelings Add to that the fact that she likes the chase too much to give it up just like that But Coreen and Rozen will soon learn that though the people we love can be cruel to us the people who are most heartless to us are ourselves
