The Cat S Pajamas Witch S Milk Two Novels:

The Cat's Pajamas and Witch's Milk Peter De Vries, 2014-10-21 Twin tales of middle class hilarity and despair from the writer who was dubbed America's preeminent comic novelist by the New York Times When college professor Hank Tattersall sees his former flame Lucy Stiles at a campus concert it sets off a chain reaction that results in one of the funniest and most unforgettable exit scenes in American literature involving a locked door an alcoholic dog and a punning doppelgänger The Cat's Pajamas is the story of how Tattersall a scrupulous self reflector falls from point A to point Z rushing through a host of identities and indignities along the way The unexamined life may not be worth living he discovers but the examined one is hardly a bed of roses In Witch's Milk Tillie Seltzer has her own trials to attend to Chief among them is her marriage to Pete the kind of guy who tucks a cigarette behind his ear and calls everybody Frisbee When they first met Tillie had more sophisticated tastes dark strangers homburg hats but she was also a thirtysomething virgin whose prospects weren't getting any better When she cracked a joke about the honeymoon being over Pete believed her Now stuck in suburbia with a sick child and a philandering husband Tillie takes a hard look in the rearview mirror Her search for an escape route will lead her to the most unexpected place of all These short novels are linked by Tillie's cameo appearance in Hank's narrative and by the thrilling blend of satire tragedy and philosophy that defines the one of a kind fiction of Peter De Vries *The Cat's Pajamas*

Linda A. Bell, 2012-02-01 Presenting essays rich with her own personal experiences philosopher Linda A Bell examines not only her own life but also problems arising from ways that living affects thinking She reflects on her own experience in order to challenge a variety of provocative claims including that affirmative action harms those it is designed to help that suicide while perhaps acceptable for some with fatal diseases is otherwise a manifestation of mental illness that women are to blame for male violence toward them if they don't leave the relationships that a low profile is the best path to success for women in academe that women are treated fairly in academe perhaps even better than men and that political correctness is a recent and aberrant move away from respect for freedom of speech Although drawing from experience as she creates and critiques theory Bell argues against the view that it is the bedrock of theory *Fiction, 1876-1983: Titles* R.R. The Book Buyer's Guide, 1969 *Encyclopedia of American Humorists* Steven H. Gale, 2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for

the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature **Best Sellers** ,1968 *Dutch Calvinism in Modern America* James D. Bratt,2002-12-30 In this scholarly yet entertaining book James D Bratt takes a look at the Dutch in America from the late 19th century to the present A comprehensive study of an ethnic subculture the book is in large part a study of the group s religious history as well since as Bratt points out the contours of the Dutch presence in America have been overwhelmingly shaped by the church and its subsidiary organizations Although the book is extensively and scrupulously documented Bratt has infused his scholarship with a considerable amount of anecdote that is by turns poignant and tragic and hilarious In Bratt s analysis of the fitful progress of Americanization that this close knit religious community has undergone we are treated to the sharp insights of a bemused and sometimes disaffected insider Included is a chapter on novelists Arnold Mulder David Cornel DeJong Frederick Manfred and Peter DeVries four sons of the Dutch who fled the subculture only to reflect upon it almost obsessively from the outside Well written scholarly and highly readable *Dutch Calvinism In Modern America* will have wide appeal among both academic and general readers *Peter De Vries-a Bibliography, 1934-1977* Edwin T.
