The Billionaire's Masquerade Elizabeth Lennox, 2014-02-14 Growing up in poverty made a lasting impression on Rachel. As a result, she is determined to never again go through the pain and humiliation of being poor. The first step in her strategy for wealth and success is an internship with the reclusive Emerson Watson, investment broker extraordinaire. Learning his strategies will take her to the top exactly where she wants to be. What she doesn't anticipate is finding Jack along the way. A simple handyman, he makes her laugh and sigh with pleasure. He makes her forget her goals. But with his meager lifestyle, Jack cannot be in her future. Emerson Jackson Watson spies the lovely Rachel coming around the corner in her sexy red heels. And he promises himself that he is going to have her. Unfortunately, the lovely Rachel is looking for the other side of him, the side he doesn't want to show her. She wants Emerson, the debonair wizard of Wall Street, when he knows what she really needs is Jack, the down-to-earth jack of all trades. How can he show her that the life she thinks she wants isn't what she needs? That she needs him.

The Billionaire's Secret Marriage Elizabeth Lennox, 2015-02-13 Dante Liakos had yet another challenge to overcome in securing his business empire's future, but this one was much more personal in nature: the need for a wife and an heir. Without them, he could lose control of the empire he had worked so hard to rebuild and expand. However, as he had found so many times before, turning a challenge into a success was about recognizing the right opportunity and acting upon it decisively. In Jayden Hart, he saw such an opportunity enclosed in the rare combination of innocence, beauty, and brilliance, a combination he couldn't resist despite his attempts to remain aloof from the relationship. Normally poised and self-assured, Jayden's world had taken an alarming turn. What initially had seemed like a nuisance was quickly becoming a significant threat to her business, her family, and her whole way of life. And she had no idea how to avoid catastrophe. Dante's suggested solution presented a potential lifeline, but with what strings attached? Would the solution be worse than the crisis that had required it? And how was she to avoid falling in love with her secret husband?

The Tycoon's Make-Believe Fiancée Elizabeth Lennox, 2014-01-30 It's wonderful to be engaged. Or at least it would be if he actually had a fiancé. Royston is reunited with his sister at last, and she's married and expecting. He is thrilled but so caught off guard when she questions him about his love life that he makes up a story about a non-existent fiancé just to protect her gentle heart. Now he has to produce a fiancé in a matter of hours when they meet for dinner. It had always been Miranda's priority to avoid the CEO of her company, Royston Carmichael, at all costs. He might be sexy, rich, and powerful, but he was also intimidating, arrogant, and unreasonably demanding. Which is why she was unhappy at being caught submitting a monthly financial report at 12:15 when it was due no later than 12pm. When Royston finds her in his office submitting a report after the deadline, he questions her and is impressed with her financial knowledge, not to mention her long legs and enchanting eyes. He quickly decides she's just right for the role of fake fiancé. She's beautiful, smart, can think on her feet, and she has a spark that captures his attention in all the right ways. Will she accept his real proposal to be his faux bride to be, and will their
