

The Cardinal

A NOVEL BY
HENRY MORTON ROBINSON

The Cardinal By Henry Morton Robinson

Marilyn Nissenson

The Cardinal By Henry Morton Robinson:

The Cardinal Henry Morton Robinson, 2013-02-26 An absorbing magnificent novel about an ordinary Irish Catholic man who ascends the church hierarchy to become Cardinal in the early twentieth century Boston Herald A selection of the Literary Guild The Cardinal was published in more than a dozen languages and sold over two million copies Later made into an Academy Award nominated film directed by Otto Preminger and starring John Huston the book tells a story that captured the nation's attention a working class American's rise to become a cardinal of the Catholic Church The daily trials and triumphs of Stephen Fermoye from the working class suburbs of Boston drive him to become first a parish priest then secretary to a cardinal later a bishop and finally a wearer of the Red Hat An essential work of American fiction that remains even more relevant today Extraordinary controversial first rate storytelling and characterization that has enormous appeal Kirkus Reviews

The Cardinal Henry Morton Robinson, 1951 Career of an American Catholic priest from his first assignment to a poor parish in Boston to his appointment as cardinal participating in the election of a pope in 1939 *The American Ecclesiastical Review* Herman Joseph Heuser, 1950

The Story of Jazz Marshall W. Stearns, 1970-09-15 The effect of jazz upon American culture and the American character has been all pervasive This superlative history is the first and the most renowned systematic outline of the evolution of this unique American musical phenomenon Stearns begins with the joining of the African Negro's musical heritage with European forms and the birth of jazz in New Orleans then follows its course through the era of swing and bop to the beginnings of rock in the 50s vividly depicting the great innovators and covering such technical elements as the music's form and structure

[The Chronology of American Literature](#) Daniel S. Burt, 2004 If you are looking to brush up on your literary knowledge check a favorite author's work or see a year's bestsellers at a glance The Chronology of American Literature is the perfect resource At once an authoritative reference and an ideal browser's guide this book outlines the indispensable information in America's rich literary past from major publications to lesser known gems while also identifying larger trends along the literary timeline Who wrote the first published book in America When did Edgar Allan Poe achieve notoriety as a mystery writer What was Hemingway's breakout title With more than 8 000 works by 5 000 authors The Chronology makes it easy to find answers to these questions and more Authors and their works are grouped within each year by category fiction and nonfiction poems drama literary criticism and publishing events Short concise entries describe an author's major works for a particular year while placing them within the larger context of that writer's career The result is a fascinating glimpse into the evolution of some of America's most prominent writers Perhaps most important The Chronology offers an invaluable line through our literary past tying literature to the American experience war and peace boom and bust

and reaction to social change You ll find everything here from Benjamin Franklin s Experiments and Observations on Electricity to Davy Crockett s first memoir from Thoreau s Civil Disobedience to Edith Wharton s Ethan Frome from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop Also included here are seminal works by authors such as Rachel Carson Toni Morrison John Updike and Arthur Schlesinger Jr Lavishly illustrated and rounded out with handy bestseller lists throughout the twentieth century lists of literary awards and prizes and authors birth and death dates The Chronology of American Literature belongs on the shelf of every bibliophile and literary enthusiast It is the essential link to our literary past and present

The Time of Their Lives Al Silverman,2016-01-19 A lively portrait of mid twentieth century American book publishing A wonderful book filled with anecdotal treasures The New York Times According to Al Silverman former publisher of Viking Press and president of the Book of the Month Club the golden age of book publishing began after World War II and lasted into the early 1980s In this entertaining and affectionate industry biography Silverman captures the passionate spirit of legendary houses such as Knopf Farrar Straus and Giroux Grove Press and Harper Row and profiles larger than life executives and editors including Alfred and Blanche Knopf Bennett Cerf Roger Straus Seymour Lawrence and Cass Canfield More than one hundred and twenty publishing insiders share their behind the scenes stories about how some of the most famous books in American literary history from The Rise and Fall of the Third Reich to The Silence of the Lambs came into being and why they re still being read today A joyful tribute to the hard work and boundless energy of professionals who dedicate their careers to getting great books in front of enthusiastic readers The Time of Their Lives will delight bibliophiles and anyone interested in this important and ever evolving industry

American Church Russell Shaw,2013-02-22 Has the Americanization of American Catholics their cultural assimilation that is been a blessing or a curse for the Church in the United States Or has it been a bit of both In American Church Russell Shaw takes a searching look at that question and reaches a disturbing conclusion Cultural assimilation which was ardently championed by churchmen like the great Cardinal James Gibbons of Baltimore around the turn of the last century has undoubtedly conferred many benefits on Catholics Their absorption into the secular culture of America however now threatens the Catholic identity of millions of faithful and of their institutions such as schools universities and hospitals Shaw does not offer this conclusion as an unsupported generalization American Church is a richly documented analysis of a process extending over two centuries Colorful characters and dramatic incidents abound including the nineteenth century intellectual feud between Orestes Brownson and the Transcendentalist convert to Catholicism Isaac Hecker Pope Leo XIII s condemnation of Americanism the anti Catholicism that greeted the presidential campaigns of Al Smith and John F Kennedy and the numerous intra Church conflicts that have divided American Catholics since the Second Vatican Council In concluding his study Shaw offers a number of thought provoking suggestions about what the Church in America needs to do now in the face of an ongoing decline that is sapping its strength and may threaten its very survival

The Book in the United States Today William Gordon Graham, Richard Abel, 1997-01-01

This volume is based on a special issue of Logos that grew out of a meeting of an international group of book trade hands. It is the first broad scale account and assessment of the commercial aspects of the U S book trade from publisher to library by way of book dealers and wholesalers. Two major phenomena: concentration into larger units and concern about the electronic future are recurring themes in this collection. Concentration characterizes bookselling as much as publishing and the electronic future preoccupies librarians even more than publishers. Chapters and contributors to *The Book in the United States Today* include: A Religious Country Reflected in its Publishing Industry by Werner Mark Linz; Children's Books 500 Million a Year by Charles E. Gates; U S School Publishing by Cameron S. Moseley; The Paperback Conquest of America by Betty Ballantine; Medical Publishing in the U S by Eric J. Newman; The U S College Textbook by Robert R. Worth; The American University Library by Hendrik Edelman; and Between Academe and the Marketplace. University Presses Face the 21st Century by Naomi B. Pascal. In the postscript, Gordon Graham discusses one of the defects of the U S book industry today: a shortage of collective memory. The common ground of the industry, he writes, is seen in securing legal rights and political advantage, not in any ideological attachment to the shared product, its history, or its culture. *The Book in the United States Today* provides important information for publishers, librarians, authors, and book sellers.

Making the List Michael Korda, 2001. Using the annual hardcover best seller lists from *The Bookman* and then *Publishers Weekly*, Korda examines twentieth century American social, cultural, and historical trends through the lens of popular literature.

The Compliant, Curious and Critical Catholic Robert J. Betterton, 2005-09-09. This book is not a scandal rehash. It describes the evolution of many Compliant Catholics of the largely ethnic pre-WWII Church into both the Curious and the Critical Catholics of today. It is also about the potential demise of the American Catholic Church in the next few decades unless that evolution continues. The author's mission, based on his own experience and development, is to suggest to today's Compliant Catholics that they not only may but should become Curious to demonstrate to already Curious Catholics that it is all right to be Critical and to encourage Critical Catholics to speak up and be heard among their friends in their Parishes and throughout their Dioceses. The book is clearly critical of many things about our Religion and the Church, but it is not an exhortation to pack up and leave. In fact, it is a plea to fellow Catholics to realize that they can find and embrace reasons to stay and provide help in getting the Church back on track. The book is not an attempt to convert people to Catholicism, nor is it a Theological treatise on elements of the Faith. After reading the manuscript, a good friend, herself educated in Theology, said: "You are not a Theologian, but you are a fiercely loyal critic." This book is addressed to all Catholics, whether practicing or not. The author was born in 1930, during the golden age of Catholicism in the United States, which was rooted in the ethnic parishes of every city. Now, seven and a half decades later, he is a very different kind of Catholic, who, despite the controversial election of Pope Benedict XVI, is

cautiously optimistic about the future When the author was growing up his Religion was inextricably entangled with family society politics and nearly every other phase of life It was an Immigrant Church although many of its members were by then second and third generation citizens From their midst they had provided a strong clergy and an army of Religious who staffed excellent schools colleges and hospitals These were Compliant Catholics trained in that tradition through the firm but usually gentle authority and discipline of the Church These people didnt know that they were Compliant Catholics and no one called them that because that was the only kind of Catholics there were at that time They were taught that there was much somewhat undefined important work to be done and little time to spend discussing dogma or alternatives There were also strong indications that not only would it be imprudent to introduce such discussions but also that they would not be tolerated if they were introduced Compliant Catholics were defined by their Religion instead of being supported by it That Religion in turn was specified and taught monitored and adjudicated by the Church which itself was largely an enigma to its members As the author grew up he became falsely comfortable and secure in his Religious beliefs shielded by the Church from contrary opinion but with no real sense of the meaning of Faith In the first two chapters the author describes that not always subtle indoctrination which extended through his high school years At first his training as a Compliant Catholicism came by example from his parents Then it was the Nuns first in Religious Education classes and later in Parochial School Finally in a private boys high school the Brothers of the Christian Schools an order founded in France taught him their version Authority and Discipline not Faith The next five Chapters deal with the evolution of some of the Compliant Catholics of the authors generation and their offspring through the intermediate stage of being Curious Catholics and beyond into the Critical Catholics found today in sizable numbers in the American Catholic Church This evolution had its roots in the *The Glory and the Dream* William Manchester,2013-11-12 A New York Times bestselling historians in depth portrait of life in America from the Depression era to the early 1970s Magnificent The New York Times Award winning historian and biographer William Manchester author of *The Last Lion* an epic three volume biography of Winston Churchill brings us an evocative exploration of the American way of life from 1932 to 1972 Covering almost every facet of American culture during a very diverse and tumultuous period in history Manchester s account is both dramatic and surprisingly intimate with compelling details that could only be known by a dedicated historian who lived through and documented this fascinating time It s an enlightening affecting and highly entertaining journey through four extraordinary decades in the life of America There is no fiction that can compete with good gossipy anecdotal history the inside story of who said or did what in moments of great tensions or crisis I think you ought to read this history and weep read it and laugh read it and don t repeat it Anatole Broyard

The Lady Upstairs Marilyn Nissenson,2013-11-19 *The Lady Upstairs* is the dramatic story of Dorothy Schiff liberal activist society stalwart and the most dynamic female newspaper publisher of her day From 1939 until 1976 she owned and guided the New York Post the oldest continuously published daily newspaper in the United States Dolly as she was called

made the Post one of the most dedicated supporters of New Deal liberalism in the country while simultaneously maintaining its distinct personality as a chatty parochial New York tabloid Unfazed by political or personal controversy Schiff backed editorial writers like James Wechsler and Max Lerner and reporters like Murray Kempton and Pete Hamill Under her guidance the Post broke the story of Richard Nixon's slush fund It helped bring down such icons of the day as Joseph McCarthy Walter Winchell and Robert Moses It supported the civil rights movement and opposed the Vietnam War Although Dolly seldom appeared in the newsroom she approved and commented on every major story and every minor column in the paper until eventually selling it to Rupert Murdoch Dolly's private life could have been a staple of the Post's society gossip columns Endlessly flirtatious she married four times and had extra marital romances with among others Franklin Roosevelt and Max Beaverbrook She was a friend of national politicians such as Adlai Stevenson the Kennedys Lyndon Johnson and Nelson Rockefeller Born into a staunchly Republican German Jewish banking family she used her inheritance to further causes of the political left She used her charm and her social connections in the service of her paper which was the center of her life *The Lady Upstairs* is the portrait of a unique life and a crucial era in American history

The American Dream and the Popular Novel Elizabeth Long, 2017-10-23 This title originally published in 1985 examines conceptions of success and the good life expressed in bestselling novels ranging from historical sagas and spy thrillers to more serious works by Updike Bellows Steinbeck and Mailer published from 1945 to 1975 Using these popular books as cultural evidence Elizabeth Long argues that the meaning of the American dream has changed dramatically but in a more complex fashion than has been recognised by that country's most prominent social critics Her study presents a challenge to prevailing social scientific views of contemporary American culture and represents both in theory and method an important contribution to the study of culture and social criticism

Wisconsin Library Bulletin, 1973

Pop Goes the Decade Ralph G. Giordano, 2017-06-05 Covering significant historical and cultural moments public figures and celebrities art and entertainment and technology that influenced life during the decade this book documents the 1950s through the lens of popular culture On the surface the 1950s was a time of post war prosperity and abundance However in spite of a relaxation of immigration policies the good life in the 50s was mainly confined to white non ethnic Americans A new Cold War with the Soviet Union intended to contain the threat of Communism and the resulting red scare tinged the experience of all U S citizens during the decade This book examines the key trends people and movements of the 1950s and inspects them within a larger cultural and social context By highlighting controversies in the decade readers will gain a better understanding of the social values and thinking of the time The examination of the individuals who influenced American culture in the 1950s enables students to gauge the tension between established norms of conformity and those figures that used pop culture as a broad avenue for change either intentionally or by accident

The Eisenhower Years Richard T. Stanley, 2012-06 The Fabulous Fifties were America's Happy Days The Eisenhower Years produced amazing contributions to our American culture

and to other cultures around the world In so many ways Americans innovated and the world imitated from Elvis Presley and rock n roll to the Salk anti polio vaccine America s contributions to the world included motion pictures and the Broadway stage radio and television amateur and professional sports jazz the blues country and Western music traditional ballads and popular songs and rock n roll domestic and international business and trade public and private educational opportunities and a rich and varied literature While Americans did not invent all these categories they nevertheless took each to new heights during the Eisenhower Years and shared their bounty with the world The Eisenhower Years generally speaking were happier more stable more prosperous more optimistic and simpler times then the preceding decades of the 1930 s and 40 s and the increasingly turbulent 1960 s and 70 s that followed In fact America s exuberance in so many areas of the arts and everyday life was omnipresent As for political and military achievements President Eisenhower kept us safely out of war and was wise enough to stay out of the way of America s artists and entrepreneurs As a result the Eisenhower Years should forever be remembered as those Happy Days

The New York Times Almanac 2002 John Wright, 2006-05-23 The New York Times Almanac 2002 is the almanac of record Drawing on the resources of the world s premier news organization it provides readers with a wealth of data about the United States and the world in a readable and more easily accessible form than other almanacs unrivaled in scope and unsurpassed in comprehensiveness The New York Times Almanac pays careful attention to significant issues topics and developments of the day and sets them in historical context It gives the stories and the stories behind the stories The New York Times Almanac is the first choice for students journalists and researchers for anyone who needs timely accurate information about the United States and other nations around the globe The New York Times Almanac 2002 includes The first results of the 2000 Census Comprehensive coverage of all the states and every nation in the world World Series results and the most comprehensive sports section of any almanac Notable obituaries from the worlds of politics entertainment and science More information about the Internet the worldwide AIDS epidemic and world population than any other almanac The most complete coverage of environmental issues the economy and the workings of the federal government All major Academy Award winners since 1928 and the names of all Nobel Laureates and why they won and much much more

Southern by the Grace of God Megan Hunt, 2024-11 Like the media coverage of the civil rights era itself Hollywood dramas have reinforced regional stereotypes of race class and gender to cleanse and redeem the wider nation from the implications of systemic racism As Southern by the Grace of God reveals however Hollywood manipulates southern religion in particular to further enhance this pattern of difference and regional exceptionalism consistently displacing broader American racism through a representation of the poor white southerner who is as religious as he and it is always a he is racist By foregrounding the role of religion in these characterizations Megan Hunt illuminates the pernicious intersections between Hollywood and southern exceptionalism a long standing U S nationalist discourse that has assigned racial problems to the errant South alone enabling white supremacy to not only endure but reproduce throughout the nation Southern by the

Grace of God examines the presentation and functions of Protestant Christianity in cinematic depictions of the American South Hunt argues that religion is an understudied signifier of the South on film used with varying degrees of sophistication to define the region s presumed exceptionalism for regional national and international audiences Rooted in close textual analysis and primary research into the production and reception of more than twenty Hollywood films that engage with the civil rights movement and or its legacy this book provides detailed case studies of films that use southern religiosity to negotiate American anxieties around race class and gender Religion Hunt contends is an integral trope of the South in popular culture and especially crucial to the divisions essential to Hollywood storytelling

The Top Books of the Year The Cardinal By Henry Morton Robinson The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Cardinal By Henry Morton Robinson : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

The Cardinal By Henry Morton Robinson Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Cardinal By Henry Morton Robinson has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Cardinal By Henry Morton Robinson has opened up a world of possibilities. Downloading The Cardinal By Henry Morton Robinson provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a

button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Cardinal By Henry Morton Robinson has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Cardinal By Henry Morton Robinson. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Cardinal By Henry Morton Robinson. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Cardinal By Henry Morton Robinson, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Cardinal By Henry Morton Robinson has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
