philanthropist and playboy billionaire Zack Romero's seductive past may soon catch up with him. Skilled in his taste for fine wine as well as fine women, he does a smooth job of running the Romero family's prestigious award-winning winery and vineyard. But his world is soon rocked when a scandalous sex tape with an ex-girlfriend threatens to surface. Zack's grandfather and the Romero patriarch Toni's ultimatum: control his love life. No sex for at least thirty days. But when Zack is forced to hire Blue Monroe to work closely with him to produce a documentary for the vineyard, will it be sour grapes or a sweet pairing from heaven?

The White Wall Emily Flitter, 2024-04-09 A deeply reported examination of the systemic racism inside the American financial services industry exposes practices designed to maintain the racial wealth gap and draws on data, history, legal scholarship, and personal stories to provide a look at what it means to bank while Black. *Racist America* Joe R. Feagin, Kimberley Ducey, 2025-07-04 The fifth edition of *Racist America* is thoroughly revised and updated, focusing on systemic racism and antiracism issues, especially those arising since the fourth edition (2019). Expanding the discussion on racialized intersectionality as well as on the white racial frame, elite white male dominance system, and antiracist action, this book details how these racism realities continue to impact Black, Latino, Asian, Indigenous, and white Americans. The book explains how and why the Black Lives Matter movement and other antiracist protests have erupted, how and why Latino, Asian, and Indigenous Americans have responded to expanding racist discrimination, and how and why a diverse array of Americans has demanded major societal responses to dismantle entrenched white racism. *Race and the Obama Phenomenon* G. Reginald Daniel, Hettie V. Williams, 2014-07-17 The concept of a more perfect union remains a constant theme in the political rhetoric of Barack Obama. From his now historic race speech to his second victory speech delivered on November 7, 2012, that striving is evident. Tonight, more than two hundred years after a former colony won the right to determine its own destiny, the task of perfecting our union moves forward, stated the forty-fourth president of the United States upon securing a second term in office after a hard-fought political contest. Obama borrows this rhetoric from the founding documents of the United States set forth in the US Constitution and in Abraham Lincoln's Gettysburg Address. How naive or realistic is Obama's vision of a more perfect American union that brings together people across racial, class, and political lines? How can this vision of a more inclusive America be realized in a society that remains racist at its core? These essays seek answers to these complicated questions by examining the 2008 and 2012 elections as well as the events of President Obama's first term. Written by preeminent race scholars from multiple disciplines, the volume brings together competing perspectives on race, gender, and the historic significance of Obama's election and reelection. The president heralded in his November 2012 acceptance speech: "The idea that if you're willing to work hard, it doesn't matter who you are or where you come from or what you look like, whether you're Black or white, Hispanic or Asian or Native American." These essayists argue the truth of that statement and assess whether America has made any progress toward that vision. *The Bookman*, 1892 *Joy Goddess* A'Leia Bundles, 2025-06-10 A vibrant, deeply researched biography of A'Leia Walker.
