The Body In The Moonlight:

The Body in the Moonlight Katherine Hall Page, 2002-02-05 Minister's wife Faith Fairchild is excited about catering her church's restoration campaign kickoff at historic Ballou House. But when a beautiful young woman dies moments after finishing dessert, Faith is suddenly in serious trouble. Not only is her business in jeopardy, but Aleford's wagging tongues are suggesting that Faith herself laced the goodie with cyanide, having discovered her husband Tom's perhaps overly pastoral interest in the victim. Faith's world feels steeped in poison, and never before have her amateur sleuthing skills been more crucial, especially when another body is found in the moonlight, carrying an unmistakable warning: you're next.

Not only is her business in jeopardy, but Aleford's wagging tongues are suggesting that Faith herself laced the goodie with cyanide, having discovered her husband Tom's perhaps overly pastoral interest in the victim. Faith's world feels steeped in poison, and never before have her amateur sleuthing skills been more crucial, especially when another body is found in the moonlight, carrying an unmistakable warning: you're next. The text is divided into three sections. Each section has a philosophical basis for the inclusion of the subsequent principles and practices. The first section covers major types of resorts: those that are mountain-based, beach-based, and golf/tennis-based. Two chapters are devoted to each of the various resort types. The first chapters of each resort type focuses on development issues, with the impact on operations noted throughout.
