Commentaries website at <http://www.bbibcomm.net> **A Revelation of Jesus Christ** Jacob Brubaker Smith, 1961 In many respects this commentary is more than simply another book It represents a lifetime of studying and lecturing on the book of Revelation by the late J B Smith For many years he was in demand within his Christian fellowship to speak on this great book One of his cherished hopes was to see the results of his labor sent forth in a commentary for the common man This being his aim studied effort was made to avoid the language of the scholar yet at the same time Smith wanted to employ all the tools of Bible study This commentary is an attempt to make plain the meaning of Revelation With commendable reserve Dr Smith has restricted himself largely to interpretation by other passages of Scripture which are related to Revelation by actual quotation or by striking parallelism His painstaking studies of vocabulary and of related ideas make the book valuable to the earnest

student of the Bible Dr Smith is a futurist and a premillenarian holding that all of the Book of Revelation beginning with the fourth chapter relates to the future period Of judgment known as the great tribulation which will be followed by the personal return of Christ and by the establishment of His kingdom The distinguishing feature of this commentary is its use of biblical statistics and comparisons The uses of important terms in the Revelation are cataloged and their interpretation is derived from their context The appendices contain some extensive studies of individual topics correlating information not easily obtainable elsewhere Dr Smith follows a literal interpretation except where avowed symbolism demands a different procedure He has sought to make his exposition consistent in method and in results His use of Greek is apt and shows a careful investigation of the underlying vocabulary of the Greek text Preface and Introduction

The Revelation of Jesus Christ Revealed Freddie Butler, 2018-11-23 The book of Revelations is outlined in five sections I Chapters 1 3 the church age II Chapters 4 5 events in Heaven III Chapters 6 19 events of the future tribulation IV Chapter 20 events of the millennium V Chapters 21 22 events of the new Heavens and new Earth In the first three chapters Jesus is addressing the churches At the beginning of Chapter 4 the rapture has occurred and the church is in Heaven Those left behind on the earth begin to experience the tribulation in Chapters 6 19 Jesus returned to the earth with a heavenly host for the 1000 year reign during the Millennium in Chapter 20 Finally in Chapters 21 22 the enemies of God have already been defeated and there is no more curse The book of Revelations in the bible is a story of triumph for the church and a book of judgment for those who did not receive the free salvation offered through the suffering death resurrection and ascension into Heaven of our Lord and Savior Jesus Christ After two years of studying and teaching the book of Revelations to a few in a small country church I felt led by God to share this information with many more The Revelation of Jesus Christ Revealed answered most of my questions about the book of Revelations I pray that it does the same for you

The Revelation of Jesus Christ John F. Walvoord, 1966-01-01 This tremendous exposition of the capstone of Scripture issues from years of teaching dedicated study and sound evangelical scholarship The author defends the premillenninal position but at crucial points considers other views as well

The Revelation of Jesus Christ David Hall, Denise Hall, 2018-10-24 Not found on any map the Valley of Decision is a place of indecision a quagmire of noncommitment stalling forward motion It s the anxious middle place whose occupants include the multitudes who are still not sure what exactly to do with Jesus Christ Polarized by life and the ways of the world they stand here unconvinced at the end of times when wickedness is great and the harvest is ripe Yet perhaps knowing more about what tomorrow brings would help those still undecided make the clear choice to freely stand with God The Revelation of Jesus Christ Standing in the Valley of Decision explores the book of Revelation as the source of God s true prophecy for what our future holds Authors David and Denise Hall offer verse by verse commentaries on Christ s revelation omitting nothing and using the Bible to interpret itself with scriptural citations supporting every point Believers are invited to take notes and engage in active Bible study as they learn how end time prophecies are being fulfilled today In what time is left the

choice is clear personal and simple freely stand with God and have your sins washed away and your ransom paid or face the eternal consequence of separation Choose now and soon because the time of His return draws near The time to study Revelation is now and The Revelation of Jesus Christ Standing in the Valley of Decision will help all those seeking truth in the name of the Father the Son and the Holy Spirit

The Revelation of Jesus Christ Keith A. Butler,2012-05-30

The Revelation of Jesus Christ Dr. Brian J. Bailey,2015-09-18 This easy to read commentary on the book of Revelation will bring clarity to some of the major issues of our time It will show that before the Second Coming of Christ a series of events must take place The Two Witnesses must appear as well as the Ten Kings and the Man of Sin Dr Bailey dispels the confusion surrounding these awesome revelations of the Apostle John while placing an emphasis on not only knowing the truths of the last days but being prepared through holiness in order to meet the Lord in the clouds

The Revelation of Jesus Christ Lynn Hiles,2011-07-28 For anyone struggling to understand John s writings in Revelation this book provides true Biblically based answers Through detailed insight into the letters John wrote to seven churches of his day you will learn how to avoid the inherent pitfalls of the first Adam mentality to overcome today s trials and tribulations The more you understand the Book of Revelation the more you will be disarmed of the fears intimidations rhetoric and flood of information spewing from the dragon s mouth This overflow of propaganda has kept the human family afraid to even read the Book of Revelation when in fact it is the only book in the Bible that declares a built in blessing to those who read and understand it

The Revelation of Jesus Christ Stephen Kaung, The book of revelation is the last of the sixty six books of the Bible As such it is the concluding word of God and therefore occupies a special position Whereas a blessing is attached to its reading a curse is pronounced against anyone adding to its text thus reflecting how very important is this book of God s word The content of this present work which will be two volumes in length comprises the text of what were two separate series of messages on Revelation spoken by the author in respectively the year 2007 and back during the 1950s After these many years and inasmuch as we sense the return of the Lord Jesus to be increasingly imminent we believe that there is a need to make these spoken words available in print in order that many more of God s people may receive the promised blessing It is our prayer that all who shall read this book will receive God s blessing in their being better prepared for the imminent return to the earth of our blessed Lord Jesus Christ

Revelation Jeff Ferguson,2021-11-03 Social injustice social distancing and masks the coronavirus pandemic earthquakes wars and rumors of wars is this really the end times When thinking about the book of Revelation death and destruction lawlessness and chaos seem to be the focus of most people Humanity especially Hollywood seems to have an insatiable appetite for the sensational devastation and death that is predicted in this biblical prophecy The problem with this is most media sources miss the main point for which these catastrophes occur the call of God for His creation to reunite with Him The book of Revelation is probably the most controversial book of the Bible Which piece of literature throughout history has had more written about it with such widely divided opinions and differing beliefs Yet

through all of the existing material there is still widespread confusion and improbable comprehension regarding this prophecy. However controversial it may seem, Revelation is also one of the most important writings we have available concerning the Christian life today. It is a compulsory read for anyone serious about living their life for Jesus Christ.

Revelation: The Full Disclosure of Jesus Christ takes the reader verse by verse through the entire twenty-two chapters of Revelation, giving accurate but easy-to-understand explanations. It is designed as a study guide for the children of God at every level of understanding. The book of Revelation is both a continuation and ending of the story that began in the book of Genesis. So come, let us explore together the final chapter of the greatest story ever told.

A Revelation of Jesus Christ J. Otis Yoder, 1961

The Revelation of Jesus Christ Ray F. Robbins, 2005-01-13

What New Testament book bewilders most Christians? Of course, the book of Revelation. Many people ignore it because it seems unreal and unrelated to Christian living. Others see it as a fascinating enigma and they propose a variety of schemes to answer every symbolic reference. While fully aware of the various theories of interpretation, Dr. Robbins is primarily concerned in this book with clarifying what the writer was trying to say to his original readers. He provides a practical exposition with little attention given to critical problems. He feels that the basic message is timeless, full of hope and promise in every age. Here is fresh, clear light on a book that has been shrouded by extreme and sometimes fanatic interpreters.

The Revelation of Jesus Christ Steven Sherman, 2014-03-05

Interpreting Revelation in its Proper Context. Too often the Western Church views Scripture from a Greek Mind set within the context of a Hellenized society. The Church follows a pagan Roman solar calendar which fashions a linear, compartmentalized interpretation of the Bible, especially the Book of Revelation. Contrary to this modernist approach, the prophets and writers of the New Testament wrote the Scriptures under the inspiration of the Holy Spirit from a Hebrew cultural context. The authors lived in accordance with the Torah and the lunar Hebrew calendar. The Hebrew historical view is cyclical, and the Hebrew Mind set encompasses a complete lifestyle. The Hebrew and Greek Mind sets differ in practice. The Hebrew is concerned with action; the Greek with knowledge. Right conduct is the ultimate concern of the Hebrew, right thinking that of the Greek. This distinction is critical because it affects how the Book of Revelation is interpreted. The end-time chronology of the Book of Revelation is not a strict linear account as is often viewed from the Hellenistic Mind set. Through a Hebrew narrative of spiraling pictures, Revelation gives an overview of the Apocalypse followed by specific details which unveil the future of the nation of Israel, unbelievers, and the body of Messiah.

The Revelation of Jesus Christ David Wilson, 2017-08-21

The book of Revelation is a book that contains the revelation of Jesus Christ which God gave to him for one specific purpose. What is that? To show unto his servant John things which must shortly come to pass. Revelation, despite what many people believe or say, is not the revelation of John. The Word tells us point-blank that the book of Revelation is the revelation of Jesus Christ. John was only the vessel that Jesus used to write the warning to the churches and to the saints of what the future holds for the world.

Jesus is coming back The scripture says that He is coming with clouds every eye shall see Him and all the people of the earth shall wail Jesus tells us who He is the Alpha and Omega the beginning and the end the Almighty **Behold, the Revelation of Jesus Christ** James E. Smith, Ph.D.,2016-12-08 An introduction to the Book of Revelation in the New Testament is followed by a verse by verse commentary on the biblical text **The Churches of Revelation** Dr. David Bernhard Bowers,2023-02-09 Every student of the Bible approaches the book of Revelation with a sense of awe as they attempt to fold the greatness of God within the mind of humanity Many rush to examine the significant prophecies without adequately dealing with the introductory chapters Exploring the beginning chapters of the Revelation of Jesus Christ with a modern application Dr David B Bowers examines the initial communiqué given by our Lord to the Apostle John The churches of Revelation within reflect not only the status of the true Christian church throughout history but also reveal significant elements of the church in modern times that must not be missed
