The Boy On A Black Horse:

The Boy on a Black Horse Nancy Springer,2014-12-30 Gray s life changes forever when she meets a boy as wild as an untamed stallion When Chav walks into Gray s class at school for the first time dressed all in black with wild hair and fierce eyes Gray knows that her life is about to change What she doesn t yet know is that her mysterious new classmate is as fascinated by her as she is by him Gray and Chav are drawn to each other by their shared love of horses But Chav s home life is more complicated than Gray could ever have imagined Chav is a Gypsy and doesn t trust gadjo or non Gypsy people He and his siblings have run away from a painful past and he will do anything to defend his family But when his brother and sister suddenly get sick Chav needs help Gray s help And earning Chav s trust turns out to be harder than breaking a wild horse

The Boy on a Black Horse Nancy Springer,1994-01-01 Intrigued by the mysterious and angry Romany boy who joins her class thirteen year old Gray finds that he shares her love of horses but harbors a dark secret *Voyage of the Black Horse* Helena Poortvliet,2015-07-05 Jacques has left the love of his life Jeannette in England as he follows his destiny immigrating to Canada with his three Percheron horses from France in a harrowing voyage from Liverpool to Montreal in late winter of 1852 while she and her family are dealing with the consequences of her dysfunctional brothers behavior promising to follow when things are better After their business is bombed and their stable burned she convinces her family to immigrate with her but on the way to Liverpool her rebellious brother falls in love with Lord Montgomerys daughter with disastrous implications Fast moving adventure and intriguing romance make this a page turner Set in the midst of the Victorian Age the intrigue of the Gypsies woven through with the Gospel Message it is both an exciting and heartwarming tale *Blackhorse Tales* Don Snedeker,2021-08-16 The war stories and combat narratives of the 11th Armored Cavalry Regiment during five and a half years of combat in Vietnam When the U S Army went to war in South Vietnam in 1965 the general consensus was that counterinsurgency was an infantryman s war if there were any role at all for armored forces it would be strictly to support the infantry However from the time the 11th Armored Cavalry Regiment arrived in the country in September 1966 troopers of the Blackhorse Regiment demonstrated the fallacy of this assumption By the time of Tet 68 the Army s leadership began to understand that the Regiment s mobility firepower flexibility and leadership made a difference on the battlefield well beyond its numbers Over the course of the 11th Cavalry s five and a half years in combat in South Vietnam and Cambodia over 25 000 young men served in the Regiment Their stories and those of their families represent the Vietnam generation in graphic sometimes humorous often heart wrenching detail Collected by the author through hundreds of in person telephone and electronic interviews over a period of twenty five plus years these war stories provide context for the companion volume *The Blackhorse in Vietnam* Amongst the stories of the Blackhorse troopers and their families are the tales of the wide variety of animals they encountered during their time in combat as well as the variable landscape from jungle to rice paddies and weather *Blackhorse Tales* concludes with a look at how the troopers dealt with their combat experiences since returning

from Vietnam Without question Donald Snedeker has paid a fitting tribute to this superb unit its soldiers and their families
