Trick Louise Welsh,2006 When conjurer William Wilson gets booked for a string of cabaret gigs in Berlin he s hoping his luck s on the turn But secrets have a habit of catching up with him and the line between what s an act and what s real starts to blur **Bullet Trick** Ray Bradbury,2009-11-01 Bullet Trick by Ray Bradbury is a signed limited edition of never before

published material It contains five teleplays original stories that were not based on previously written stories written by Ray Bradbury that appeared on TV from 1955 through 1963 With the exception of the 1959 Steve Canyon production the other four teleplays deal with fear and paranoia A feeling of dark gloom and hopelessness hovers over The Jail and Dial Double Zero Bullet Trick deals with the age old problem of an unhappy marriage and infidelity Tunnel to Yesterday deals with the paranoia and fear of a war long gone Bradbury wrote three scripts for the original Twilight Zone adapted from previously published Bradbury yarns Only I Sing the Body Electric was actually produced for the original Twilight Zone series Here

There Be Tygers and A Miracle of Rare Devices were never produced The scripts for all 3 appear in Bullet Trick The Real Work Adam Gopnik,2023-03-14 Wise companionable and often extremely funny Oliver Burkeman The Atlantic Best selling author and New Yorker writer Adam Gopnik investigates a foundational human question How do we learn and master a new skill For decades now Adam Gopnik has been one of our most beloved writers a brilliantly perceptive critic of art food France and more But recently he became obsessed by a more fundamental matter one he had often meditated on in The New Yorker How do masters learn their miraculous skill whether it was drawing a museum ready nude or baking a perfect sourdough loaf How could anyone become so good at anything There seemed to be a fundamental mystery to mastery Was it possible to unravel it In The Real Work the term magicians use for the accumulated craft that makes for a great trick Gopnik becomes a dedicated student of several masters of their craft a classical painter a boxer a dancing instructor a driving instructor and others Rejecting self help bromides and bullet points he nevertheless shows that the top people in any field share a set of common qualities and methods For one their mastery is always a process of breaking down and building up of identifying and perfecting the small constituent parts of a skill and the combining them for an overall effect greater than the sum of those parts For another mastery almost always involves intentional imperfection as in music where vibrato a way of not quite landing on the right note carries maximum expressiveness Gopnik s simplest and most invigorating lesson however is that we are surrounded by mastery Far from rare mastery is commonplace if we only know where to look from the parent who can

whip up a professional strudel to the social worker who in one of the most personally revealing passages Gopnik has ever written helps him master his own demons Spirited and profound The Real Work will help you understand how mastery can happen in your own life and significantly why each of us relentlessly seeks to better ourselves in the first place The Show Won't Go On Jeff Abraham,Burt Kearns,2019-09-03 There has never been a show business book quite like The Show Won t Go On the first comprehensive study of a bizarre phenomenon performers who died onstage The Show Won t Go On covers almost every genre of entertainment and is full of unearthed anecdotes exclusive interviews colorful characters and ironic twists With dozens of heart stopping stories it s the perfect book to dip into on any page The Bullet Catch John Gaspard,2024-06-03 WONDERFULLY ENGAGING DELIGHTFULLY TRICKY This is an instant classic in a league with Raymond Chandler Dashiell Hammett and Arthur Conan Doyle John Lehman Rosebud Book Reviews Newly single magician Eli Marks reluctantly attends his high school reunion against his better judgment only to become entangled in two deadly encounters with his former classmates The first is the fatal mugging of an old crush s husband followed by the suspicious deaths of the victim s business associates At the same time Eli also comes to the aid of a classmate turned movie star who fears that attempting The Bullet Catch in an upcoming movie may be his last performance As the bodies begin to pile up Eli comes to the realization that juggling these murderous situations while saving his own neck may be the greatest trick he s ever performed Praise for THE BULLET CATCH The Bullet Catch is a wonderfully engaging delightfully tricky bit of mystery Fans of magic will delight in John Gaspard s artful use of the world of magicians onstage and offstage It s a great story and great fun Jim Steinmeyer Author of Hiding the Elephant How Magicians Invented the Impossible and Learned to Disappear Gaspard s latest Eli Marks mystery The Bullet Catch has as many tricks up its sleeve as its likeable magician hero As the body count rises so does the reading pleasure Dennis Palumbo Author of the Daniel Rinaldi Mystery Series and Co Writer of My Favorite Year The Bullet Catch is a real winner of magical proportions Filled with snappy delightful dialogue and plenty of sleight of hand humor Gaspard s latest mystery in the Eli Marks series does not disappoint Head to the bookstore and get yourself a copy now Jessie Chandler Author of the Award Winning Shay O Hanlon Series The author does a fantastic job juggling the separate plots and keeping readers minds thoroughly engaged The relationships between Eli and his remarried ex are interesting to say the least and the pure entertainment of the industry will leave all readers hoping that there will be a number three very soon Suspense Magazine The Bullet Catch has a quick pace and dialogue that engages the reader from the first page Gaspard has written a great character into an original storyline I will definitely be seeing reading more of Eli as Gaspard expands this promising mystery series Examiner com Readers get ready for your mind to expand as Eli Marks returns and uses his powers of prestidigitation intuition and deduction to solve another mystery If David Copperfield and Sherlock Holmes had a child it would be Eli Marks Scott Wells The Magic Word Podcast *The Billboard* ,1928 *Brain Hacks* Keith Barry,2021-10-22 Keith Barry is the world s leading TV Hypnotist Mentalist And Brain Hacker He has mastered
