Jozo

Niznansky, 2014-12-09 It has been said that Elizabeth Bathory was the model for Bram Stoker's nineteenth century novel Dracula There is no doubt that Stoker heard the legends that have been thrilling audiences for centuries before writing his famous book in Dublin in 1897 Countess Bathory and Count Dracula are alike in so many ways except she actually lived at the turn of the seventeenth century in Hungary Her bloody tale is far more terrifying because it was real Stoker developed the theme of isolation when he wrote You must not be alone for to be alone is to be full of fears and alarms Bathory's victims were often innocent young girls stolen from their families and trapped alone and defenseless but they were also her serfs and the community surrounding her castle the ruins of which exist today in the real village of Cachtice Slovakia Cachticka Pani has been a bestselling novel in Slovakia for almost as long as it has been in print It has been translated into Czech Hungarian Polish German and now for the first time English This story brings to life a poignant period in European history when the value of the life of the common serf fell to its lowest point and the powers of the nobility to do evil were at their greatest The author Jozo Niznansky a popular Slovakian adventure writer presents his readers a vivid description of what life during the time of Elizabeth Bathory must have been like He used authentic historical documents to bring the incredibly evil and frightening legend to life His novel has it all It is loaded with facts chills mystery horror adventure intrigue and is also a beautiful love story **Retold Feminine Memoirs: Our Collective Past and Present** Gabriela Mádló, 2019-01-04 This

Vampire Legends in Contemporary American Culture William Patrick Day,2021-02-15 While vampire stories have been part of popular culture since the beginning of the nineteenth century it has been in recent decades that they have become a central part of American culture Vampire Legends in Contemporary American Culture looks at how vampire stories from Bram Stoker s Dracula to Blacula from Bela Lugosi s films to Love at First Bite have become part of our ongoing debate about what it means to be human William Patrick Day looks at how writers and filmmakers as diverse as Anne Rice and Andy Warhol present the vampire as an archetype of human identity as well as how many post modern vampire stories reflect our fear and attraction to stories of addiction and violence He argues that contemporary stories use the character of Dracula to explore modern values and that stories of vampire slayers such as the popular television series Buffy the Vampire Slayer integrate current feminist ideas and the image of the Vietnam veteran into a new heroic version of the vampire story
