God Speaks Your Language Donald L. Brake,2022-09-19 *God Speaks Your Language* is a presentation of the theories and issues facing modern Bible readers It encourages readers to let God s word speak for itself English words must be accurate in their literary narrative in the beauty of poetic verse and in mysterious figurative language all to capture the rich meaning of his revealed word Our first language is the window into our soul To know God to share our deepest feelings with our Creator we will do it in our mother tongue It is the Bible in our language that will truly massage our minds and allow the words of the Infinite to penetrate our inner self The need for study Bibles enables the reader to apply translation into added explanation Proper analysis of Bible versions will help avoid selecting a version one likes because it fits one s lifestyle or church tradition

The Greatness of God Charles Frank Thompson,2016-02-08 With each passing day our world seems to drift further and further away from the God of the Bible divine creation and Christian belief This societal shift toward postmodernism and secularism is not a new development however the expanding and intensifying revolt against the biblical God and Christianity traces its roots back to the modern philosophies of the Enlightenment and Romanticism which have given rise to many divergent views during the past three centuries and become even more extreme in recent postmodernism *The Greatness of God* How God Is the Foundation of All Reality Truth Love Goodness Beauty and Purpose stands as an intellectual counterweight to the prevailing winds of a secular postmodern world Author Charles Frank Thompson argues that the consequences of this rejection of God and divine creation have not been benign He traces the modern revolution in detail and describes its deleterious consequences including the loss of the ultimate basis for universal truth knowledge meaning and purpose In *The Greatness of God* Thompson explores a wide range of topics including Christian theology metaphysical philosophy and an analysis of modern thought and art He examines the rich history of Christian poetry prose and art and takes a look at recent scientific discoveries that help us understand Christian teachings about God s creation He concludes with an exploration of the millennium the eternal kingdom of God and the spiritual state of America and Europe today

ABOUT THE BIBLE Ervin Roberts,2012-09-21 My purpose for writing this study is not to dazzle you with a lot of theories but to get you to ask what does the Bible say not what does men say it says Sense I am just a simple country preacher I have tried to keep this study as simple as possible My hope is this study will lead people to a better understanding of what God is and has been trying to tell mankind I want those that use this study guide to come away from it with a better knowledge of the purpose of each and every book of the Bible Lets begin by looking at the very basics The Bible is 66 different book written by many different writers over a period of 1500 to 2000 years What that means is it is one book that

took a lot of writers a long time to write Every book in the Bible has a purpose and it will be the purpose of this study to explore what that purpose might be The basic question we will be trying to answer of each book is Why did God place this book in the Bible We will not be doing an in depth theology study of the contents of each book but rather we will be looking at the reason that the book is in the Bible Each and every book is special and tells us something we need to know to be able to fulfill God's will on this earth Each book of the Bible is important and has a reason for being in the Bible I know that there are some books that are hard to understand so are seldom read That does not mean that they should not be studied it means that we should try harder to find out what God was saying we should not just set those books aside as not of any use The truth is the Bible without all of its parts is not the Bible The only way to study the Bible is first pray for guidance and second allow the Holy Spirit to guide you
