Our actions define us as heroes or cowards not intentions Such is the nature of war Arsenc Men march beside their comrades into walls of spears and under rains of arrows refusing to relent so as not to shame themselves before their brothers For every man who shirks his duty and abandons his post a hundred stand their ground What more can a hero be than a man who risks his life for country and friend in spite of the obvious fear that strikes at us all The paths of war and heroes are forever intertwined War does not create heroes It merely reveals them They are not measured by the greatest of deeds but by the

simple willingness to do their part I am marching north in their company King Lore before the battle of Kregmarin Gargoyles had plagued mankind since the dawn of creation Once servants of the Most High they betrayed their creator who cast them down upon Arax in mortal form contesting mankind for dominion of the world From this chaos Yah the creator rose up a champion Kal to guide mankind in following his will and vanquishing the gargoyle curse Kal found favor with the creator unifying mankind into one kingdom heralding a golden age of prosperity justice and equality before the law while driving the gargoyles to the brink of extinction Alas all fell to ruin his reign betrayed by the greed of treacherous lords who slew their rightful king establishing their own fated kingdoms each falling in kind once the gargoyles rose again And so mankind suffered enduring endless war with their mortal foe for two and a half millennia each unable to destroy the other until one human Tyro arose aligning his people with the gargoyles to war against the rest of mankind destroying the balance that had kept the gargoyles in check since the days of King Kal Bringing all of northern Arax under his dominion Tyro threatened to sweep south bringing all of Arax under his sway With the drums of war sounding Terin Caleph the only son of a Torry farmer embarks on a journey to the city of Rego to serve as a scribe and apprentice to the Torry ambassador an old friend of his father s To protect him on his journey his father gifts him an ancient sword which holds mysterious powers that he soon discovers Are the powers inherent in the sword or in himself Terin s journey draws him into a growing conflict between his native Torry realm and Tyro s Benotrist Gargoyle Empire in which he takes an ever larger and unforeseen role Joined by a Torry warrior and a motley band of strangers from a place called Earth he becomes caught up in the great war to decide the fate of all the sentient peoples of Arax As in any war there are heroes found in places one would rarely look **London**

Harmony: Doghouse Erik Schubach,2015-10-18 **The Chronicles of Arax Book Three** Ben Sanford,2023-02-16 You are not alone son of Lore Yah reassured me lifting my spirit Twas then he revealed my brothers brothers not of blood but of spirit who would stand by my side to contest Tyro s dominion You Terin are one of my true brothers sent by Yah in our time of greatest need Your birth was foretold long ago long before King Vantor II of the Middle Kingdom revealed the prophecy of the one to find the lost Sword of the Moon Your birth was foretold long before the rise and fall of ancient Tarelia Your birth was revealed to Kal himself before he fell in battle a divine vision from Yah to his most faithful servant You are his only descendent his line dying or living through you and you alone It is through you that his divine gift endures the power to strip gargoyles of their courage and sense Against you they cannot stand It is Kal s blood that enables you to call upon such power Kal s blood that ordains you a child of prophecy It is Kal s blood that calls out to the Swords of Light drawing you to them their own power symbiotic to your own In my hand your sword can cut through any object and would guide my hand to preserve my life In your hand it is so much more enhancing your power to drive off gargoyles tenfold The swords were forged for the descendants of Kal They were forged for you Prince Lorn at the siege of Mosar While the Torries and Jenaii celebrate their victory at Corell the battle in Yatin grows dire forcing difficult choices on Princess Corry As acting regent of the

northern realm she is faced with a war torn land bracing for winter while her brother fights a desperate battle far away Heeding her council she lends him the only aid she can much to her misgivings At Corell Cronus must again bid his beloved Leanna farewell undertaking a delicate mission on behalf the realm while Elos helps Alen set his own course in the fight against his former masters To the east Morac s legions limp into winter quarters at Notsu licking their wounds while their lord plots his revenge In the Ape Empire General Matuzak hosts the Earthers inviting them to aid him in establishing a republic At Fera Tyro obsesses over the carvings in Terin s charm consumed with the possibilities it portends while Tosha prepares her return to her mother s isle with child and without her consort preparing for an uncertain reception Before journeying to Yatin Terin s father confides in him the great and terrible truth that plagues his past and threatens their future a truth that shakes Terin to his very core casting doubt over everything he knows He must carry this terrible burden into battle helping his future king in saving an age old enemy of their people against the greater threat threatening to consume them all As the war expands throughout Arax the fate of the Torry Realms hangs in the balance their only hope for survival dependent on the battle of Yatin
