documented their experiences first in theological education and then through their ministries Finally he has asked them to

Hetty Bowman,1874 *The Vedic Experience* Raimundo Panikkar,1994 One of the most stupendous manifestations of the
Spirit is undoubtedly that which has been handed down to us under the generic name of the Vedas The Vedas are still too
much neglected not only in the world at large but also in their country of origin this Vedic anthology will make direct and
fruitful knowledge of the Vedas available to a wider range of people than the small elite of pandits and Indologists This
anthology collects the most crucial texts of the Indian Sacred Scriptures in all more than 500 newly translated into
contemporary English Dr Panikkar s principle has been to select and place together texts so as to offer a selection of texts
that cover the full range of The Vedic Experience and at the same time to show how they manifest the universal rhythms of
nature history and Man Excerpts are taken from the oldest hymns such as the Rig Veda from the Brahmanas the Aranyakas
or Forest Treatises and finally the Upanishads which represent the mystical and philosophical culmination of the Vedas This
is a book for meditation for reading public and private as well as for thorough study at this wellspring of human wisdom It
should moreover facilitate that meeting of East and West so long desired and delayed and now so imperative *Federal
