The Case For Divinity:

The Case for Divinity Charlie Brackett, 2014-12-24 A study guide in the various evidences proving creation by a divine Being and disproving Darwinian evolution Evidences are considered for a young earth for a first cause for creation for the existence of God from physical sciences from life sciences for Scripture from Scripture and for Jesus Christ References to many sources are included Each chapter concludes with questions suitable for personal study and group discussion 150 pages

A Case for the Divinity of Jesus Dean L. Overman, 2009-11-15 Whether Jesus was really the Son of God or not is a central question for Christians and one that has provoked heated debate since the time of Jesus birth Dean L Overman examines the earliest Christian records to build a compelling case for the divinity of Jesus Overman analyzes often overlooked evidence from liturgies and letters written in the years immediately following Jesus death decades earlier than the Gnostic gospels or the New Testament gospels Addressing questions raised by books such as Bart Ehrman's *Misquoting Jesus* and Elaine Pagels *The Gnostic Gospels* Overman presents powerful evidence from the earliest Christian communities that will be new for many modern Christians and builds a carefully reasoned case for Jesus truly being the Son of God

The Case for Christ Lee Strobel, 2010-11 The book consists primarily of interviews between Strobel a former legal editor at the Chicago Tribune and biblical scholars such as Bruce Metzger Each interview is based on a simple question concerning historical evidence for example Can the Biographies of Jesus Be Trusted scientific evidence Does Archaeology Confirm or Contradict Jesus Biographies and psychiatric evidence Was Jesus Crazy When He Claimed to Be the Son of God Together these interviews compose a case brief defending Jesus divinity and urging readers to reach a verdict of their own

A Case for the Divinity of Jesus Shimba, 2024-12-05 A Case for the Divinity of Jesus A Case for the Divinity of Jesus by Dr Maxwell Shimba is a compelling exploration of the scriptural evidence supporting the belief that Jesus Christ is fully divine Drawing from both the Old and New Testaments Dr Shimba provides a thorough analysis of key biblical passages that affirm Jesus's identity as God From Isaiah's prophecy calling the Messiah Mighty God Isa 9:6 to Paul's declaration that Christ is God over all Rom 9:5 the book makes a comprehensive case for the divinity of Jesus Dr Shimba demonstrates that Jesus was not only a teacher or prophet but is in fact YHWH the eternal God of the Old Testament who took on human flesh The book emphasizes key aspects of Jesus's life and teachings that point to His divine nature such as His claims of being the I AM John 8:58 and the Alpha and Omega Rev 22:13 Dr Shimba also explores how Jesus's ability to forgive sins perform miracles and conquer death through His resurrection solidifies His divine authority The early church's recognition of Jesus as God is highlighted through examples of worship directed toward Him such as Thomas's declaration of My Lord and my God John 20:28 This work not only defends the traditional Christian doctrine of Jesus's divinity but also deepens readers understanding of its theological significance In addition to scriptural analysis Dr Shimba explains the importance of the doctrine of Jesus's divinity for Christian faith and practice Believing in Jesus as God calls for complete devotion and worship transforming how believers

relate to Him The book also explores the relationship between Jesus's divinity and the Trinity showing how the Father Son and Holy Spirit are distinct yet fully one in essence A Case for the Divinity of Jesus is a valuable resource for anyone seeking to deepen their understanding of who Jesus is and why His divinity is essential to the Christian faith **The Case for Jesus** Brant Pitre, 2016-02-02 This book will prove to be a most effective weapon against the debunking and skeptical attitudes toward the Gospels that are so prevalent not only in academe but also on the street among young people who sadly are leaving the Churches in droves Robert Barron author of Catholicism For well over a hundred years now many scholars have questioned the historical truth of the Gospels claiming that they were originally anonymous Others have even argued that Jesus of Nazareth did not think he was God and never claimed to be divine In The Case for Jesus Dr Brant Pitre the bestselling author of Jesus and the Jewish Roots of the Eucharist goes back to the sources the biblical and historical evidence for Christ in order to answer several key questions including Were the four Gospels really anonymous Are the Gospels folklore Or are they biographies Were the four Gospels written too late to be reliable What about the so called Lost Gospels such as Q and the Gospel of Thomas Did Jesus claim to be God Is Jesus divine in all four Gospels Or only in John Did Jesus fulfill the Jewish prophecies of the Messiah Why was Jesus crucified What is the evidence for the Resurrection As The Case for Jesus will show recent discoveries in New Testament scholarship as well as neglected evidence from ancient manuscripts and the early church fathers together have the potential to pull the rug out from under a century of skepticism toward the traditional Gospels Above all Pitre shows how the divine claims of Jesus of Nazareth can only be understood by putting them in their ancient Jewish context The Theology of Geologists, as Exemplified in the Cases of the Late Hugh Miller, and Others William Honyman Gillespie, 1859 **A Full Report of the Case of Stacy Decow, and Joseph Hendrickson, Vs. Davis, 1997 The bodies of tradition discussed here range from the Puritan concept of nature to Puritan casuistry Three of the traditions presented nature casuistical and elegiac are analyzed for the way in which they help us understand the basic ideas in and the development of Taylor's poetry **The Christian Remembrancer**, 1847 *Reports of Cases Argued and Determined in the Court of Queen's Bench, and the Court of Exchequer Chamber on Error from the Court of Queen's Bench* Great Britain. Court of Queen's Bench, Thomas Flower Ellis, 1865 *A New English Dictionary on Historical Principles: part 1. C-Comm (1893)* James Augustus Henry Murray, 1893 *Teaching and the Case Method* Louis B. Barnes, Carl Roland Christensen, Abby J. Hansen, 1994 This third edition of Teaching and the Case Method is a further response to increased national and international interest in teaching teachers and learning as well as the pressing need to enhance instructional effectiveness in the widest possible variety of settings Like its predecessors this edition celebrates the joys of teaching and learning at their best and emphasizes the reciprocal exchange of wisdom that teachers and students can experience It is

based on the belief that teaching is not purely a matter of inborn talent On the contrary the knowledge skills and attitudes that make for excellence in teaching can be analyzed abstracted and learned One key premise of Teaching and the Case Method is that all teaching and learning involve a core of universally applicable principles that can be discerned and absorbed through the study and discussion of cases *The Christian remembrancer; or, The Churchman's Biblical, ecclesiastical & literary miscellany* ,1844 **The Precisianist Strain** Theodore Dwight Bozeman,2012-12-01 In an examination of transatlantic Puritanism from 1570 to 1638 Theodore Dwight Bozeman analyzes the quest for purity through sanctification The word Puritan he says accurately depicts a major and often obsessive trait of the English late Reformation a hunger for discipline The Precisianist Strain clarifies what Puritanism in its disciplinary mode meant for an early modern society struggling with problems of change order and identity Focusing on ascetic teachings and rites which in their severity fostered the precisianist strain prevalent in Puritan thought and devotional practice Bozeman traces the reactions of believers put under ever more meticulous demands Sectarian theologies of ease and consolation soon formed in reaction to those demands Bozeman argues eventually giving rise to a first wave of antinomian revolt including the American conflicts of 1636 1638 Antinomianism based on the premise of salvation without strictness and duty was not so much a radicalization of Puritan content as a backlash against the whole project of disciplinary religion Its reconceptualization of self and responsibility would affect Anglo American theology for decades to come Cases Argued and Adjudged in the High Court of Chancery Great Britain.
