Edythe Haber, 2018-10-18 Teffi was one of twentieth century Russia's most celebrated authors Born Nadezhda Lokhvitskaya in 1872 she came to be admired by an impressive range of people from Tsar Nicholas II to Lenin and her popularity was such that sweets and perfume were named after her She visited Tolstoy when she was 13 to haggle with him about the ending of War and Peace and Rasputin tried and utterly failed to seduce her After the Bolshevik Revolution of 1917 she was exiled and lived out her days in the lively Russian migr community of Paris where she continued writing and enjoying comparable fame until her death in 1952 Teffi's best stories effortlessly shift from light humour and satire to pathos and even tragedy ever more so when depicting the daunting hardships she and her fellow migr's suffered in exile While best known for her stories and feuilletons she also moved over to other genres from serious poetry to theatrical miniatures and even music and inhabited an extraordinary range of spheres connected to both high and popular culture In the first biography of her in any language Edythe Haber here brings Teffi who has recently been rediscovered in the West to resounding acclaim to life Teffi's life and works afford a unique panoramic view of the cultural world of early twentieth century Russia from the debauchery of the Silver Age to the terror and euphoria of revolution and of interwar Russian emigration But they also offer fresh insights into the seismic events from the 1905 Russian Revolution and World War II to life as a refugee that she experienced first hand and recreated in her vivid penetrating moving and witty writing **Memories** Teffi, 2016-05-03 WINNER OF THE 2018 READ RUSSIA PRIZE AND THE PUSHKIN HOUSE BEST BOOK IN TRANSLATION IN 2017 Considered Teffi's single greatest work Memories From Moscow to the Black Sea is a deeply personal account of the author's last months in Russia and Ukraine suffused with her acute awareness of the political currents churning around her many of which have now

resurfaced In 1918 in the immediate aftermath of the Russian Revolution Teffi whose stories and journalism had made her a celebrity in Moscow was invited to read from her work in Ukraine She accepted the invitation eagerly though she had every intention of returning home As it happened her trip ended four years later in Paris where she would spend the rest of her life in exile None of this was foreseeable when she arrived in German occupied Kiev to discover a hotbed of artistic energy and experimentation When Kiev fell several months later to Ukrainian nationalists Teffi fled south to Odessa then on to the port of Novorossiysk from which she embarked at last for Constantinople Danger and death threaten throughout Memories even as the book displays the brilliant style keen eye comic gift and deep feeling that have made Teffi one of the most beloved of
