Benjamin Cox, Byron G. Massialas, 1967 This book makes two basic assumptions First an accurate picture of the content
methods and goals of social studies courses is best obtained by analyzing a representative sample of widely used textbooks
Second the most important function of social studies courses is to develop skills of critical inquiry among students The
central purpose of this volume has been to assess critically the quality and content of elementary junior high and senior high
school social studies instruction in the United States today This volume tries to provide both experienced and prospective
teachers creative suggestions on how to use and evaluate existing social studies materials and instructional procedures
There are also guidelines for future developments in social studies teaching *Catalogue of Title-entries of Books and Other*
