SCM Studyguide Pastoral Theology Margaret Whipp, 2013-04-18 Through the course of their work with people engaged

in ministries of various kinds spiritual directors healthcare chaplains local clergy theological educators youth workers the authors of this groundbreaking book have become convinced of the need to provide a practical guide to the practice of pastoral supervision understood as a core discipline of the Christian church and enriched by the best of what other supervision disciplines have to offer Each chapter focuses on a different aspect of pastoral supervision embedding it theologically and offering rooted examples from their own practice At the end of each chapter practical exercises are offered to help the reader reflect on their own practice and tools are suggested for use with supervision groups and in work with individuals

International Handbook of Medical Education Ibrahim Al Alwan,Mohi Eldin Magzoub,Margaret Elzubeir,2012-03-19 Medical education has grown expeditiously in the last decade triggered by innovations in educational approaches such as problem based learning PBL and community based education CBE This had led to medical schools establishing departments for medical education and developing special introductory courses for undergraduate curricula As a result an enormous amount of literature is now available for teachers and medical educators but only a limited amount of medical education material is aimed directly at students The International Handbook of Medical Education takes the lead by giving students access to basic medical education knowledge and skills presented in a simple and interactive format The Handbook provides students with a tool to guide them on the road to success during their academic lives and beyond by helping to improve study skills such as reading writing searching and research and giving students essential information on assessment skills such as answering multiple choice questions and preparing for objective structured clinical examination With this handbook students will develop the knowledge skills and attitudes that will advance their care

Catalog of Copyright Entries Library of Congress. Copyright Office,1974 **Early Christian Witnesses** ,2022-11-20 The articles and talks included in this collection cover fifty years of theological engagement the primary focus being on education for ministry in Australia and abroad Despite the diversity of topics such as hermeneutics New Testament theology preaching ecumenical relations and early church history there is a connecting concern to listen to the unique voices of early Christian witnesses as foundational for the faith and the apostolic claims of the church in its present day witness The publication of these essays has been suggested for some time Despite my reluctance to reissue articles written over a period of more than five decades I have relented in the hope that there will be enough to engage the interest of a variety of readers and not only former students in seminaries and theological colleges in Australia and various places overseas Included here are mainly articles written specifically for publication in journals but also lectures and talks to various groups of clergy lay people and theological students Of prime concern has always been the explication of the Christian faith according to its earliest witnesses in the early church of apostles and martyrs Faith remains attested and lived approved not proven
