That's why we explain things in a way you'll both understand and remember at the testing center. It takes more work on our end but we feel our job is to make things easier on your end. We also take what you learn in the pages of this Series 99 exam study guide to a higher level by presenting you with well over 1,200 challenging questions in our Pass the 99 TM Practice Exam Question Bank. However, our sample questions are not designed to merely trick you, which most people find discouraging and confusing at best. Rather, our Series 99 sample questions are designed to help you learn the information as you improve your ability to eliminate the incorrect answer choices you will see when taking the Series 99 exam. Be sure to keep a notebook filled with all that you learn from working the questions and reading the helpful explanations that follow. Pass the 99 TM is your guide to a passing score on the Series 99 exam. This textbook is at the same time in depth and easy to read. We don't skimp on the details found on the FINRA Series 99 outline. Rather, we skimp on the filler found in many of the more tedious Series 99 license exam manuals on the market. To give yourself an edge on this difficult license exam, buy this book and then go to www.examzone.com to purchase the Pass the 99 TM Practice Exam Question Bank and other Series 99 study materials.
