Bible Study Guide Dr. David Jeremiah, 2016-10-04 We have almost become immune to the reality of today s headlines from terrorism to natural disasters to political upheavals to refugees to disease to nuclear threats to failing economies and the list goes on People are thinking and asking Is this the end Nobody can answer that question specifically In fact Jesus warned about setting dates for the end of the age But this we can say Never have so many world level events developed so rapidly and with such catastrophic implications These events bring to mind the apostle Paul s words about birth pangs before the end of the age In *Is This the End* Study Guide Pastor David Jeremiah looks at ten major developments in America and the world that almost defy imagination Just a few years ago nobody could have imagined the things we hear about daily in the news We need to understand these events what they are what the Bible says about them and how we should respond as followers of Christ Follow Dr Jeremiah as he unfolds five developments in America and five developments on the international stage all of which beg the question Is this the end
