Study Guide Monkeynotes:

Reading Amy Tan Lan Dong, 2009-06-08 This essential discussion of Amy Tan's life and works is a necessity for high school students and an enriching supplement for book club members. A tour de force in Asian American writing, Amy Tan has created works that are essential to high school and undergraduate literature classes and are often book club selections. Reading Amy Tan is a handy resource that offers both groups plot summaries of five of Tan's novels as well as character and thematic analysis. The handbook also provides an overview of Tan's life and discusses how she emerged onto the scene as a novelist. Tan's typical themes including Asian American issues and mother-daughter relationships are examined in relation to today's current events and pop culture. Readers will also discover how and where they can find Tan on the Internet and how the media has received her works. The What Do I Read Next chapter will help readers find other authors and works that deal with similar subjects. This handbook is an indispensable tool for both high school and public libraries. Once Again to Zelda Marlene Wagman-Geller, 2008-11-04 A fascinating look at the stories behind the dedications of 50 literary classics. Mary Shelley dedicated Frankenstein to her father, her greatest champion Charlotte Brontë dedicated Jane Eyre to William Makepeace Thackeray for his enthusiastic review of the book's first edition. Dostoyevsky dedicated The Brothers Karamazov to his typist-turned-lover Anna Grigoyevna. And as this collection's title indicates, F. Scott Fitzgerald dedicated his masterpiece The Great Gatsby to his wife Zelda. Often overlooked, a novel's dedication can say much about an author and his or her relationship to the person for whom the book was consecrated. Once Again to Zelda explores the dedications in fifty iconic books that are an intrinsic part of both literary and pop culture, shedding light on the author's psyche as well as the social and historic context in which the book was first published. **The Plagiarism Handbook** Robert A.
