Biblical Discipleship Study Guide: Essential Components for Attaining Spiritual Maturity Dr. Todd M. Fink, 2016-05-18
This 16 Week Study Guide is exceptionally practical and life transforming It is taken from the main book *Biblical Discipleship Essential Components for Attaining Spiritual Maturity* However it is a stand alone book study that is designed to be used on its own Its purpose is to take the 14 core principles of discipleship and put them into practice Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature *The Comeback Bible Study Guide* Louie Giglio, 2015-10-20 Feeling like you've blown it Reached the point of no return That your life hasn't gone as planned If so you are not alone We all know what it feels like to have life disappoint us and not work out as we'd hoped We all know what it's like to long for something different something better and something more This six session video study DVD digital video sold separately shows us how God can use our messes and still make a masterpiece Drawing on his own experiences and pivotal Bible stories Louie Giglio pastor and author of *Don't Give the Enemy a Seat at Your Table* shows how God is all about comebacks Samson had blown it repeatedly nevertheless he experiences tremendous triumph at the end of his life The prodigal son as Jesus describes him returns home in disgrace only to be welcomed by his father with open arms The list goes on Joseph Moses and Peter all experienced comebacks Jesus himself performed the greatest comeback of all by rising from the dead God is in the business of giving fresh starts and His plans will always prevail even when our plans don't For the times when we feel like our lives are in the garbage and it's hard to see God's plan this study guide will help you see How God uses our circumstances to strengthen us and fulfill his good plan How to respond in spirit when our dreams are dashed How Jesus' life death resurrection and ascension is not only enough to save us but also to sustain us No matter what kind of disappointment or grief or pain or trouble or heartache we encounter God always offers a new beginning a change of heart and a powerful spiritual turnaround Our current circumstances do not get the final say in our lives God does Designed for use with *The Comeback Video Study* sold separately *Christian Theology* Millard J. Erickson, 1998-08 A new edition of leading theologian Millard Erickson's classic text *The Body, with Study Guide* Charles Colson, 1996-05 In this watershed book Charles Colson castigates today's consumer oriented McChurch mentality that has Christians flitting from church to church in search of soothing sermons and a feel good gospel *A Christian's Guide to Critical Thinking* Henry Virkler, 2006-06-26 Have you ever heard a Bible interpretation or a scientifically based argument that just didn't seem correct Did you wish you knew how to show that it wasn't true In a postmodern society Christians are increasingly confronted with assertions that contradict the principles they believe They need to be able to critically analyze arguments and know how to refute in a gentle way those assertions that are not true In order to do this Christians need three sets of skills hermeneutical skills to know how to accurately interpret God's Word and be able to correct misinterpretations of Scripture research design

and statistical skills to be able to examine statements about God's world and evaluate whether or not they represent valid conclusions from the data knowledge of logical fallacies in order to be able to identify when invalid inductive or deductive conclusions were being drawn either from God's Word or from research studies about God's world This book will help you be able to do the following know and use valid hermeneutical skills understand research design and statistical analysis techniques recognize logical fallacies and replace them with accurate analyses An excellent resource for pastors Sunday school teachers and group leaders this book is as practical as it is valuable for persons who want to discern truth and refute error in a spirit of love The Layman's Guide to Systematic Theology Billy R. Newman, 2009-12 **Introducing**

Christianity to Mormons Eric Johnson, 2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who believe they've already found it When witnessing to current or former members of The Church of Jesus Christ of Latter-day Saints it's essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ For every believer who prays for loved ones in the LDS Church or loved ones who gave up on religion after leaving Mormonism *Introducing Christianity to Mormons* is the guidebook you need to witness to them Inside you'll find real-life conversations that give you helpful ideas for what to say in your discussions contrast points between Mormonism and Christianity that illuminate God's truth biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church Get ready to present the case for Christianity with confidence and grace This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community **John Warwick Montgomery's Legal Apologetic** Ross

Clifford, 2016-01-22 Dr Montgomery is one of our leading Christian apologists His writings have influenced several generations of apologists from around the globe His debates are legendary This book purports to break new ground apologetically as it assesses Dr Montgomery's work It focuses on his legal historical apologetic and in the process reframes it for both the tough-minded and the tender-hearted It shows not only the rationality of Montgomery's work but also that his writings pave the way for an apologetic to New Age followers and to those who place experience before reason A special feature of this analysis concerns Montgomery's apologetic insights on the occult and paganism This book also breaks new ground as the legal apologetic model has not been previously assessed it illustrates that a juridical apologetic style has a rich history dating back to the Gospels themselves The present work should thus be of particular interest to apologists theologians philosophers of religion pastors and all who are concerned to share the legal historical fact of the Resurrection of Jesus together with its relevance in a secular age *Systematic Theology, Volume 1, Fourth Edition* James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and

judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive

Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this

Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology

Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world

The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material

The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one

The prodigious research that must have gone into the preparation of this volume is truly mind boggling

Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint

The work is well documented in both biblical and historical scholarship and will prove to be a classic

William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study

Robert H Culpepper Southern Baptist Theological Seminary *An Introduction to Theology* John R. Higgins, Michael L. Dusing, Frank D. Tallman, 1993

Hijacking Jesus Jason Jimenez, 2023-09-12 Progressives have fabricated a new Jesus so different from the real Savior that their faith can hardly be called Christianity

Progressive Christian leaders have abandoned the resurrected Savior of historical Christianity radically reinterpreting Him as a Jewish mystic or a man of God devoid of divine claims and miracles

In the postmodern era remaking Jesus has become a deadly temptation

The modern Jesus of progressives supposedly friendlier and more accepting than the Savior we know from the Gospels is gaining popularity and acceptance among self identified Christians

But they don't realize that progressive Christianity rejects the biblical revelation of Jesus Christ the Word made flesh

Hijacking Jesus addresses perennial questions about the nature of Christ and his teaching testing the historical and theological accuracy of progressive Christians

Their Jesus is simply no match for the reliability of the four Gospels which are the most credible historical sources for Jesus's life teachings miracles death and resurrection

Christians can accept no substitute for the witness of the Gospels and the theological doctrines of the church that Jesus Christ is Lord and Savior

How to Study the Bible Greg Herrick, 2002-04 One of greatest joys in life is being able to read and understand a passage of scripture for yourself

Such is the ultimate goal of this Bible study program

We want you to be able to feed your own soul from God's word and then turn around and help others as well

George Burns once said I'd rather be a failure at something I enjoy than a success at something I hate

The good news for Christians is that these are not the only two options why not be a success at something you like

How To Study the Bible is specifically designed to help you become a success at studying God's word studying it faithfully honestly prayerfully obediently and intelligently

Sacred Places C.J. Scott, 2017-03-16 Sacred Places is a book that looks at the biblical theology of place exploring its

central importance in Gods creation and mission It takes its readers on an expository journey through place from the Garden of Eden to the New Jerusalem discovering the pattern of placement displacement and replacement in life and faith If you are a Christian seeking to understand the Bibles teaching on place and how that affects both our faith and lives in the world then this book is for you It will open your eyes to the central importance of place and give you direction on how you can apply a healthy understanding of place to your life as a disciple of Jesus Christ making you a better place maker and dweller The thesis of this book is that place is far more important than we ever could have imagined I am specifically proposing that 1 places are sacred because of Gods decree and personal presence 2 place plays a major role in Gods creative and redemptive purposes and 3 Gods people are called to be both place makers and dwellers Check out the official website of Author and Teacher C J Scott at humblemajesty.com Visit the Place Makers blog at placemakers.blog In association with Worldwide Mission Fellowship Visit the website at wwmf.org
