Oppliger, 2013-10-03 The numerous anti-bullying programs in schools across the United States have done little to reduce the number of reported bullying instances One reason for this is that little attention has been paid to the role of the media and popular culture in adolescents' bullying and mean girl behavior This book addresses media role models in television film picture books and the Internet in the realm of bullying and relational aggression It highlights portrayals with unproductive strategies that lead to poor resolutions or no resolution at all Young viewers may learn ineffective even dangerous ways of handling aggressive situations

Victims may feel discouraged when they are unable to handle the situation as easily as in media portrayals. They may also feel their experiences are trivialized by comic portrayals. Entertainment programming aimed particularly at adolescents often portray adults as incompetent or uncaring and include mean spirited teasing. In addition overuse of the term bully and defining all bad behavior as bullying may dilute the term and trivialize the problem. *Leonard Maltin's 2009 Movie Guide* Leonard Maltin, Luke Sader, Mike Clark, 2008. Each film title is listed with credits a mini review and significant awards. Biographical listings of directors producers actors writers animators cinematographers distributors exhibitors and independent filmmakers are accompanied by date and place of birth date of death if applicable a brief career overview and a filmography. Wise celebrates Canadian achievement on both a national and an international scale and juxtaposes the distinctly Canadian with Canada's exports to Hollywood. Maury Chaykin and Jim Carrey John Candy and William Shatner Mon Oncle Antoine and Porky's Highway 61 and Meatballs The Red Violin and The Art of War. From great early Hollywood stars like Walter Huston Fay Wray Mary Pickford Norma Shearer and Marie Dressler to our current crop of star directors including Patricia Rozema Atom Egoyan David Cronenberg Denys Arcand Peter Mettler Guy Maddin and Robert Lepage Canadians have made an important but largely unrecorded contribution to the history of world cinema. Impressive for its breadth of coverage refreshing in its opinionated informality this comprehensive and lively look at Canadian film culture at the start of the twenty first century admirably fills the gap.
