The background of the cover is a photograph of a small, rustic stone church. The church has a bell tower on top with a single bell visible. The main body of the church has two arched windows above the entrance. The entrance is a large, arched doorway with a wooden door. A person is sitting on the steps leading up to the doorway. The church is surrounded by green grass and trees. In the background, there are some white headstones, suggesting a cemetery. The overall tone is peaceful and somewhat somber.

Story Behind the Book I caused significant pain to my own wife and kids while struggling with an addiction to risk the pursuit of extreme sports and an overwhelming feeling of being bored with many Christians and

standard church life My epiphany came a number of years ago when God broke through it all and showed me how propped up my life was without His real presence and power In the end we sold our suburban home moved to the Oregon Coast and started a ministry to surfers Countless lives were changed my wife and I even became pastors Once dead to the life I had pursued God gave me back an adventure I could never have previously dared hope for Mike Barrett *The Honest Guide to Church Planting* Tom Bennardo,2019-08-13 Church planting has become a cottage industry National conferences hip planting organizations and all in one resource kits celebrate the thrill of pioneering a church and inspire visions of glorious victories Yet few who respond to the call are warned what they ll actually encounter the relentless opposition they ll endure the eventual scattering of their entire core group the failure of their tried and true field tested system Here s the dirty little secret of church planting the roadside is strewn with casualties Many have closed their churches Some left ministry permanently Others abandoned the faith altogether Church planting is at once the greatest and most grueling ministry work on earth This book is for those toiling in the trenches those about to bail out and those considering jumping in It s for the church planters laboring and struggling seeing little movement and wondering what they re doing wrong or why God is failing them It s also for mother churches planting organizations and denominations as a challenge to rethink and recalibrate the way they approach and measure planting endeavors *The Honest Guide to Church Planting* is a fresh and candid conversation about the challenges and joys of planting new churches Tom Bennardo speaks the truth so that those involved in church planting can embrace a more accurate and realistic picture of what planting a church is really like one that not only enables them to survive but to thrive in this wondrous work Face to Face Marty Folsom,2016-08-31 Like falling in love this book argues that a relationship with God begins with surprise proceeds with discovery and shapes a life that comes to share a story of love This book does not describe God but pursues the nature of personally relating with the triune God Consequently it also engages how we relate with humans made in God s image We finish the Face to Face series with this most mysterious and fulfilling encounter a personal engagement with the Relational God known as a community of persons who invite us to share in their life **Praying When Prayer Doesn't Work** Jack Corbin Getz,2010-07-07 Almost everyone has an opinion about what prayer is and how it ought to work But for many prayer produces far less than the saints say it should While some surveys suggest that up to 90 percent of us believe in prayer enough to do it daily that lofty statistic is tempered by the sobering claim that average believers only pray for eight to twelve minutes a week If that s not a red warning flag that prayer has a serious public relations problem what is *Praying When Prayer Doesn t Work* is a thoughtful often witty account of the author s journey to find prayer s elusive promise for himself A pastor for thirty years Jack uses humor plenty of secondary resources scripture real life stories and his own unique insights to illustrate how both routine and exceptional circumstances may be used to trigger meaningful ongoing and productive prayer While challenging harmful assumptions dogma with unconventional observations Getz also looks at prayer s four public relations problems identifies the

perfect environment for prayer and examines the three critical attitudes necessary to pray with great effect Also the wisdom and helpful suggestions found in the useful study guide can teach sincere seekers of the truth how to get personal with God and make praying a choice not a chore

Relentless Michele Cushatt, 2019-11-12 Where is God when life is filled with so much suffering How can I be sure of God's presence and affection even in my pain Can you believe in God and still wrestle with questions and doubt These are the questions honestly explored in Relentless Whether in struggle illness death or failure the presence of pain causes us to question the presence of God We pray and watch the sky crossing our spiritual fingers for hardcore proof of God's nearness And in the silence we sense something more sinister perceived abandonment But what if we could collect evidence that God hasn't left us What if we could be absolutely certain of God's presence and affection strengthening our faith against any assault Woven throughout Scripture sits a single extraordinary theme God is with us Ours is a God who speaks through burning bushes and leads through pillars of fire who responds to a broken world by giving himself Like the Old Testament story of Joshua's altar of twelve stones Relentless delivers twelve key biblical stories that demonstrate God's unfailing presence Each chapter offers an invitation to identify a stone in your own life as tangible evidence of God's nearness With the turn of the last page you will have discovered twelve markers of your own altar of memory to carry you through questions and losses even ones yet to come For the truth seekers those drowning in impossible questions and those who find themselves swallowed up by the dark Relentless is an invitation to search for divine presence in our everyday stories With Michele Cushatt's engaging narrative style this transformational journey reassures us that God indeed is with us
