The Two Week Roommate Roxie Noir, 2023-08-29 We used to be best friends Now we're snowed in together There are probably worse things than being stuck in a remote cabin with the rugged yet grumpy forest ranger who saved my life in a blizzard Getting mauled by a bear for example though I might prefer that to eating breakfast with Gideon Bell the guy who nearly ruined my life when we were kids It was twenty years ago We haven't spoken since Our families still hate each other and our lives are completely different I'm not sure we've got anything in common besides childhood memories But when it's just the two of us for a couple of weeks

none of that really matters What matters is the way Gideon grumbles but makes my tea exactly the way I like it What matters is how he always gives me the spot on the couch closest to the fireplace What matters is how he looks at me when he thinks I m not paying attention And those childhood memories He s in all my favorites Up here in the cabin it s easy to look past all that because it feels so good to kiss him It s easy to spend a wild night in front of the fireplace and wake up still wrapped together But back in the real world where everything that drove us apart is still alive and kicking It s a lot harder Can Gideon and I fix what broke twenty years ago or does what happens in the cabin have to stay in the cabin The Two Week Roommate is the second book in the Wildwood Society series and can be read as a total standalone It s for fans of high heat forced proximity romantic comedies and features childhood friends to enemies to lovers who get snowed in together a quirky charming small town a grumpy former military hero a sunshine heroine who melts his heart and plenty of steamy scenes Of course there s an HEA This series is for fans of Kathryn Nolan Elizabeth O Roark Kate Canterbury and Melanie Harlow
