The You Amp Me A Love Journal Paperback

Mony Elkaïm

The You Amp Me A Love Journal Paperback:

If You Love Me, Don't Love Me Mony Elkaïm, 1997 This work presents clinical examples to reveal a fresh understanding of the therapist's feelings within the content of treatment. At the heart of Elkaïm's technique is self-reference. He demonstrates how therapists can use their own experiences as powerful tools of intervention. Elkaïm also shows how to work with crippling reciprocal double binds when for example someone wants to be loved but pushes his loved ones away out of fear that love is followed by loss. The book should be of use to anyone who works with couples or families. **Ladies' Home**

Why Men Hurt Women and Other Reflections on Love, Violence and Masculinity Kopano Ratele, 2022-09-01 Using conversations, observations, and reflections, psychologist Kopano Ratele meditates on love, violence, and masculinity. This book seeks to imagine the possibility of a more loving masculinity in a society where structural violence, failures of government, and economic inequality underpin much of the violent behavior that men display. Enriched with personal reflections on his own experiences as a partner, father, psychologist, and researcher in the field of men and masculinities, *Why Men Hurt Women and Other Reflections on Love, Violence and Masculinity* is Kopano Ratele's meditation on love and violence and the way these forces shape the emotional lives of boys and men. At the core of these critical and deeply insightful texts is the question of why men hurt women: they love. Ratele contends that many men in our society suffer from a painful, unrecognized yet consequential love hunger that sets in during boyhood. This need for love may lie at the root of some of the male violence that damages the lives of women, children, and men themselves. Blending academic analysis and rigor in a readable narrative style, Ratele illuminates the complex nuances of gender, intimacy, and power in the context of the human need for love and care. While unsparing in his analysis of men's inner lives, Ratele lays out a path for addressing the hunger for love in boys and men. He argues that just as the beliefs and practices relating to gender, sexuality, and the nature of love are constantly being challenged and revised, so our ideas about masculinity and men's and boys' capacity to show genuine loving care for each other and for women can evolve.
