Rapkin, 2010-06-01 What do Natalie Portman Robert Downey Jr Zach Braff and Mandy Moore have in common Before they were stars they were campers at Stagedoor Manor the premier summer theater camp for children and teenagers Founded in 1975 Stagedoor continues to attract scores of young performers eager to find kindred spirits to sing out loud to become working actors or maybe even stars Every summer for the past thirty five years a new crop of campers has come to the Catskills for an intense often wrenching introduction to professional theater The camp produces thirteen full scale productions during each of its three sessions These kids come from varying backgrounds the offspring of Hollywood players from Nora Ephron to Bruce Willis work alongside kids on scholarship Some campers have agents others are seeking representation When Mickey Rapkin a senior editor at GQ and self proclaimed theater fanatic learned about this place he fled Manhattan for an escape to upstate New York At Stagedoor he tracked a trio of especially talented and determined teen actors through their final session at camp Enter Rachael Singer Brian Muller and Harry Katzman three high school seniors closing out their sometimes sheltered Stagedoor experiences and graduating into the real world of industry competition and rejection These veteran campers still battling childhood insecurities but simultaneously searching for that professional gig that will catapult them to fame pour their souls into what might be their last amateur shows Their riveting stories are told in Theater Geek an eye opening laugh out loud chronicle full of drama and heart but also about the business of training kids to be professional thespians and in some cases child stars The camp has long acted as a farm system for Broadway and Hollywood attracting visits from studio executives and casting directors Via original interviews with former and current campers and staff including Mandy Moore Zach Braff and Jon Cryer Rapkin also recounts Stagedoor Manor s colorful star studded history What was Natalie Portman s breakout role as a camper What big time Hollywood director then barely a teenager dated a much older Stagedoor staff member Why did Courtney Love at Stagedoor visiting her daughter get into an argument with a hot dog vendor who had set up shop at the camp Theater Geek leads readers through the triumphs and tragedies of the three senior campers final summer in an absorbing thought provoking narrative that reveals the dynamic

and inspiring human beings who populate this world It also explores what the proliferation of theater camps says about our celebrity obsessed youth and our most basic but vital need to fit in Through the rivalry heartbreak and joy of one summer at Stagedoor Manor Rapkin offers theater geeks of all ages a dishy illuminating romp through the lives of serious child actors Rich insightful and thoroughly entertaining Theater Geek pulls back the curtain on an elite and intriguing world to reveal what's really at its core children who simply love to perform

Kabuki's Nineteenth Century Jonathan E. Zwicker, 2023-08-09 Kabuki's Nineteenth Century examines the theater culture of nineteenth century Japan from the perspective of the history and materiality of the book the nature of reception and the making and making use of images The aim of this book is to rediscover the kabuki theater of nineteenth century Japan by shifting our critical focus from performance to print and the public sphere and thus embedding theater history within the larger world of printed matter by means of which theatricality circulated beyond the stage and through which performance was most often consumed Fundamental to Kabuki's Nineteenth Century is a reconsideration of the nature of the printed archive itself The book argues that the archive of printed material related to the theater in nineteenth century Japan playbills actor critiques theater guides maps actor prints calendars and broadsheets is something more than and more complicated than a set of materials out of which we might reconstitute the always transient event of performance Rather the archive constitutes an object of inquiry unto itself an object that reveals as much about the interrelations between and among various printed media and genres circulating beyond the confines of the theater as it does about what happened on stage Even as we use these

materials to examine the history of performance a series of different questions might be asked what can the production consumption and collecting of this enormous body of printed matter tell us about such problems as the role of print in everyday life the construction of specialized knowledges and the manner in which a culture archives itself *A Beginner's Guide to Devising Theatre* Jess Thorpe, Tashi Gore, 2019-09-19 Winner of the 2021 Music it offers practical ideas for use in rehearsal and it presents grounding in terminology that will support a confident and informed approach to production The book features contributions from some of the young performers who have been a part of Junction 25's work to date as well as key artists and companies that work professionally in devised theatre including case studies from Quarantine the Team Mammalian Diving Reflex Nic Green and Ontroerend Goed The work of Junction 25 is used to illustrate the concepts and ideas set out in the book Ideal for any student faced with the challenge of creating work from scratch *A Beginner's Guide to Devising Theatre* offers constructive guidance which supports the requirements of students taking Drama and Theatre Studies courses The book includes a foreword by theatre critic Lyn Gardner
