For my Country Themba Maseko, 2021-05-17 When I joined the struggle as a 13 year old boy in Soweto I would never have imagined that one day I would blow the whistle on a special kind of corruption that was destroying the party and the values I had been fighting for all my life In 2010 government spokesperson Themba Maseko was called to the Gupta family s Saxonwold compound and asked by Ajay Gupta to divert the government s entire advertising budget to the family s media company When Maseko refused to do so he was removed from his position and forced to leave the public service The life of this once proud civil servant would never be the same again Maseko whose activism was forged in the Soweto uprising of 1976 is a product of the struggle and has always been unfailingly loyal to the principles of the ANC In 2016 when the party called on members with evidence of wrongdoing by the Guptas to step forward Maseko was the only one to do so For this courageous act of whistleblowing he was ostracised slandered and even threatened As a former senior state official Maseko also offers a rare insider s view of the presidencies of Thabo Mbeki and Jacob Zuma and of the inner workings of government
