They Found Him Dead:

They Found Him Dead Georgette Heyer,2009-11-01 One heir after another turns up dead Silas Kane s sixtieth birthday party is marred by argument and dissension amongst his family and then the next morning Kane is found dead The coroner s verdict of death by misadventure would seem to confirm that Silas accidentally lost his way in the fog But then his heir is shot and threats are made against the next in line to inherit his fortune The formidable Superintendent Hannasyde is called in to investigate All clues point to an apparently innocuous eighty year old woman but as the Inspector delves further into the case he discovers that nothing is quite as it seems

A History of the Mishnaic Law of Appointed Times, Part 3 Jacob Neusner,2007-04-01 The history of Jews from the period of the Second Temple to the rise of Islam From A History of the Mishnaic Law of Appointed Times Part 1 This volume introduces the sources of Judaism in late antiquity to scholars in adjacent fields such as the study of the Old and New Testaments Ancient History the ancient Near East and the history of religion In two volumes leading American Israeli and European specialists in the history literature theology and archaeology of Judaism offer factual answers to the two questions that the study of any religion in ancient times must raise The first is what are the sources written and in material culture that inform us about that religion The second is how have we to understand those sources in reconstructing the history of various Judaic systems in antiquity The chapters set forth in simple statements intelligible to non specialists the facts which the sources provide Because of the nature of the subject and acute interest in it the specialists also raise some questions particular to the study of Judaism dealing with its historical relationship with nascent Christianity in New Testament times The work forms the starting point for the study of all the principal questions concerning Judaism in late antiquity and sets forth the most current critical results of scholarship

Not White Enough Muriel J Morris,2023-06-26 She s sixteen shunned isolated and possibly pregnant This is Marie who thought she had the world by the tail a few months ago She had married a handsome professional European man who adored her She is Eurasian but her European status in Indonesia had been earned through careful education European dress and mastery of a European language Dutch But she finds herself in dank grey Manchester where her husband s family won t accept her and never really will she s half a world away from the blue skies tropical fruits colourful fabrics familiar languages and house full of servants that she grew up with Her husband Walter Woodbury is on a mission to patent his invention which is why they ve returned to England a country which will be civilly hostile to Marie and her eight children so that when her husband dies within a few years seven of the eight and Marie herself will has fled England which deems them Not White Enough You probably don t know who Walter Bentley Woodbury is but you should He s the reason this book is in your hands Woodbury invented and patented the first photographic printing press so that thousands of copies could be made from a single negative

enough for a book or an illustrated magazine But he s unknown In fact he died in so much debt that a collection had to be taken for his funeral and he left his wife and eight children 246 His obscurity is due to two factors One is Woodbury himself his mercurial mind caromed on to the next project whether it was an aerial observation camera for the military or a train signal that used sound for foggy weather or paper backed film before he had secured the business side of his existing inventions The second was that he and his family were ostracized because Marie Woodbury his Eurasian wife was visibly biracial and so were most of their children The scientific community accepted Woodbury as an inventor but the wider community never accepted his wife and family virtually all of whom left England after Woodbury s tragic death This book tells a story that needs telling in our modern world Not White Enough is largely dedicated to Woodbury s career and travels but the author also sheds some light sometimes speculative on his wife their eight children and other little known Woodbury family members in an effort to piece together the puzzle of her family s fascinating and often tragic past
