SYNOPSIS:

This is the story of a Scottish wolfhound called Snarf and his owner, Hekja. When Vikings raid Hekja's village she and Snarf are captured by Freydis Eriksdottir, daughter of the infamous Erik the Red, the founder of the Viking Greenland colony, and half sister to Leif Erikson, usually credited with 'discovering' America. Hekja becomes a thrall, a slave, in Greenland, but fiery determination wins the admiration of her mistress. When Freydis leads an expedition to Vinland in what is now North America, Hekja and Snarf go with her. This page-turning story is set against an historical backdrop and the book is both fascinating and historically informative.

Ages 10-14

Vision for The Nations Leader's Guide ,1995 Thirteen lessons edited by the Mobilization Dept of the U S Center for World Mission intended to be used to teach church members what mission tasks remain to be done and how the church can do them Teaching and Learning Culture Mads Jakob Kirkebæk, Xiang-Yun Du, Annie Aarup Jensen, 2013-11-19 This book is based on educational research conducted by researchers from the Department of Learning and Philosophy and the Confucius Institute for Innovation and Learning at Aalborg University Empirically it reports on different approaches to teaching and learning of culture including a student centered task based problem based learning PBL approach a digital technology supported approach and more It also reports on how when teaching and learning culture teachers professional identity and the informal teaching and learning environment impact the teaching and learning of culture in different educational settings from primary school to university A central theme in the book is the power of context The studies illustrate in multiple ways and from different angles that culture is not taught in a vacuum or learned in isolation but may be influenced by many factors both inside and outside the classroom at the same time culture also influences the context of the learning The context may be invisible and hide itself as tacit knowledge or embedded values or it may be very visible and present itself as a fixed curriculum or an established tradition No matter what forms and shapes the context takes the studies in this book strongly indicate that it is essential to be aware of the power of context in teaching and learning culture in order to understand it and negotiate it This book suggests that teachers should not try to limit or avoid contextual influences but instead should explore how the context may be integrated into and used constructively in the teaching and learning of culture This allowance of context in the classroom will allow for teachers students subjects and contexts to enter into a dialogue and negotiation of meaning that will enrich each other and achieve the established goal acquisition of cultural awareness and intercultural

understanding *The Viking King's Golden Treasure* Sven Rosborn, 2021-06-13 A newly discovered material rewrites early Danish Viking history In 2014 a 11 year old girl Maja Sielski and her younger sister Julia made a sensational discovery among their deceased grandmother's belongings They found a small golden plate with a Latin script telling a story of the legendary Viking king Harald Bluetooth It soon turned out that the golden plate was once placed in the king's tomb and this tomb contained world's largest known golden treasure of Viking era A transcript of a previously completely unknown chronicle *Gesta Wulinensis ecclesiae pontificum* from the 990s has also been found The manuscript was written by the king's own priest Avico probably in an attempt to canonize the king after his death in year 985 Avico has been in the service of the king since the 950s His extensive account gives a remarkable and dramatic picture of the Viking age Scandinavia during the 10th century Here is a story of the struggle for power and the foundation of the future dynasties in Denmark Sweden and Norway as well as Viking raids in Ireland and England The account also tells of the founding of the legendary Viking fortress of Jomsborg and the fortress's powerful mercenaries The book describes in detail these unique facts but it also gives an overall picture of the Viking Age era for those who are not familiar with the subject The Curmsun Disc The Curmsun Disc is a concave gold disc of a weight of 25.23 grams 0.890 oz and a diameter of 4.5 centimetres 1.8 in The Danish Viking king Harald Bluetooth and the name of the stronghold of Jomsborg is mentioned in the latin inscription on the disc The disc was reportedly found as part of a Viking Age hoard discovered in 1841 in the cellar crypt of the ruined chapel at Gro Weckow village in Pomerania This location is just east of the bank of the river Dievenow and near the place where the semi legendary Viking stronghold of Jomsborg stood between the 960's and 1043 According to the author the entrance to the crypt was accidentally discovered by a 12 year old Heinrich Boldt actor Ben Affleck's said to be maternal great great grandfather who was playing with some younger children at a construction site near the ruined chapel **Manual of the Elementary Course of Study for the Common Schools of Wisconsin** Charles Preston Cary, 1911
