Evidence of Things Not Seen Rhonda D. Frederick, 2022-07-15 Evidence of Things Not Seen is an interdisciplinary study of blackness in genre literature of the Americas When mystery romance fantasy mixed genre and science fiction writers center fantastical blackness they make this expressive quality available to a broad audience that uses pop fictions imaginable vocabularies to reshape extra literary realities Ultimately popular genres imaginable possibilities help us strategize ways that the made up can be made real *Exposing the Spiritual Roots of Disease Study Guide* Henry W. Wright, 2025-05-20 Which Spiritual Roots of Disease May Be Affecting You Dr Henry Wright spent decades learning the spiritual roots of disease and blocks to healing In his journey he discovered that there is a spiritual root issue in about 80 percent of all diseases that is a direct result of a breakdown in our relationship with God ourselves or others Through his groundbreaking teachings he helped hundreds of thousands to experience wholeness in their lives This follow up companion to Dr Wright's eye opening book *Exposing the Spiritual Roots of Disease* helps you to dig deeper to identify which spiritual roots of disease might be affecting you It guides you to personalize your application of the truths presented through a helpful review of key points questions to increase your understanding of blocks to healing and steps for practical application to experience freedom and wholeness *Exposing the Spiritual Roots of Disease Study Guide* provides you with a thoroughly biblical and compelling case for healing If you think you've read all you need to know about healing it's time to take another look Dr Wright clearly shows that disease is not a random occurrence and that science and medicine have their place in dealing with illness but can only offer disease management What if the answers to true healing and freedom have been in the Bible all along If you have recently received a diagnosis or have been struggling with your health for years there is hope and healing ahead

Technocreep and the Politics of Things Not Seen Neda Atanasoski, Nassim Parvin, 2025-04-11 New and emerging technologies especially ones that infiltrate intimate spaces relations homes and bodies are often referred to as creepy in media and political discourses In *Technocreep and the Politics of Things Not Seen* Neda Atanasoski and Nassim Parvin introduce a feminist theory of creep that they substantiate through critical engagement with smart homes smart dust smart desires and smart forests toward dreams of feminist futures Contributing authors further illuminate what is otherwise obscured assumed or dismissed in characterizations of technology as creepy or creeping Considering diverse technologies such as border surveillance and China's credit system to sexcams and home assistants the volume's essays and artworks demonstrate that the potentials and pitfalls of artificial intelligence and digital and robotic technologies cannot be assessed through binaries of seeing being seen privacy surveillance or harmful useful Together their multifaceted and multimodal approach transcends such binaries accounting for technological relations that exceed sight to include touch presence trust and diverse modes of collectivity As such this volume develops creep as a feminist analytic and creative mode on par with technology's complex entanglement with intimate local and global politics Contributors Neda Atanasoski Katherine Bennett
