Hailey graduated college months ago but she's still living in her family's Fifth Avenue penthouse spending her nights falling in and out of bars across Upper East Side Manhattan and the thrill is starting to wear off. It isn't easy being young, rich, and beautiful. Overnight it seems like everyone suddenly has their lives completely sorted. Katie has a great job at Morgan Stanley. Hailey is lost somewhere in the middle, torn between chasing down the next wild party and admitting that it might be time to grow up. She craves something more meaningful but what? Perhaps Brenner holds the answer: gorgeous, charismatic, and aloof. Hailey is convinced he is the missing piece in her puzzle. But when she meets Adrian, a man so totally different from her usual privileged crowd, she begins to realize she's been looking for happiness in all the wrong places. *These Days Are Ours* captures the feverish excitement and exhilarating uncertainty of the city where bright young things are forever brimming with possibility and buckling under the pressure. Wanna cook like Walter White? This ain't chemistry; this is art. Cooking is art. Jesse Pinkman. For five seasons, Walter White and Jesse Pinkman were undisputedly the greatest cooks in North America. Customers paid top dollar for their product. Connoisseurs came from all over the continent and even as far afield as Europe to sample their distinctive blue ice. The partners may have had their detractors, but without a doubt, they were the best of the best. Finally, their knowledge and expertise has been condensed
