**Australian Creation and the Ambidextrous Mind, a Profile of Portal Modernity** Peter Murphy, 2023-06-19 Stranger Cities explores the metaphysics of Australian society and the clash between its competing strands of romantic culture and classic civilization The social expression artistic resonance economic significance civic character historic phases mythic representations creative antinomies and imaginative contribution of these metaphysical fundamentals form the background of Australia's distinctive urban civilization with its bustling stranger populations ocean facing portal cities revealing art and architecture and cyclical worlds of markets and industries war and peace Murphy portrays a classic eudemonic society whose dominant ethos of phlegmatic happiness vies with a subsidiary current of melancholic and choleric romanticism

*Antipodes*, 1997      **John Stuart Mill: Thought and Influence** Georgios Varouxakis, Paul Kelly, 2010-02-25 This book combines an assessment of the philosophical legacy of Mill's arguments with an assessment of Mill's complex and fecund version of liberalism and his account of the relationship between character and ethical and political commitment

Imagining the Antipodes Peter Beilharz, 2002-08-22 Bernard Smith is widely recognised as one of Australia's leading intellectuals Yet the recognition of his work has been partial focused on art history and anthropology Peter Beilharz argues that Smith's work also contains a social theory or a way of thinking about Australian culture and identity in the world system Smith enables us to think matters of place and cultural imperialism through the image of being not Australian so much as antipodean Australian identities are constructed by the relationship between core and periphery making them both European and Other at the same time This 1997 work is a book length analysis of Bernard Smith's work and is the result of careful and systematic research into Smith's published works and his private papers It is both an introduction to Smith's thinking and an important interpretive argument about imperialism and the antipodes      *APAIS, Australian Public Affairs Information Service*, 1997 Vol for 1963 includes section Current Australian serials a subject list

**History of Western Political Thought** John Morrow, 2019-04-27 The third edition of this highly regarded core textbook offers an accessible and impressively comprehensive account of Western Political Thought over the last two millennia Structured in four main parts the chapters are organised around a wide range of key themes covering everything from Absolute Government and Revolutionary Political Thought to Politics and Freedom and Theories of Civil Disobedience This new edition concludes with an Epilogue that considers the challenges posed to the history of Western political thought by the perspectives of post colonialism and post modernism The use of boxes throughout the book to explain key thinkers in more detail as well as the author's ability to express complex ideas in clear and jargon free language makes this the perfect text for helping students to understand the key debates issues and continuities in the long history of political ideas For undergraduate and postgraduate students studying courses on the history of political thought and theory this is an indispensable guide New to this Edition

Expanded material on the history of international relations thinking race consciousness diversity and gender politics A completely new Epilogue which focuses on a discussion of post colonialism and post modernism in relation to political theory Additional Thinker boxes alongside revised and updated suggestions for further reading      **Australian Poetry** Paul Kane,1996-01-01 This book offers a comprehensive and original reading of Australian poetry from the colonial period to the present through the dual lenses of Romanticism and negativity Paul Kane argues that the absence of Romanticism functions as a crucial presence in the poetry of all the major Australian poets This absence or negativity is both thematic and structural and Kane s scrupulous analyses uncover important relations between Romanticism and negativity Chapters on nine individual poets explore and substantiate the theoretical claims informed by the work of contemporary critics of Romanticism and by various philosophers of negativity These chapters can serve as a series of self contained readings of Australian poets for the use of students scholars and informed general readers Australian Poetry is unique in its sustained argument and theoretical sophistication      **The Cambridge History of the Australian Novel** David Carter,2023-07-27 The Cambridge History of the Australian Novel is an authoritative volume on the Australian novel by more than forty experts in the field of Australian literary studies drawn from within Australia and abroad Essays cover a wide range of types of novel writing and publishing from the earliest colonial period through to the present day The international dimensions of publishing Australian fiction are also considered as are the changing contours of criticism of the novel in Australia Chapters examine colonial fiction women s writing Indigenous novels popular genre fiction historical fiction political novels and challenging novels on identity and belonging from recent decades not least the major rise of Indigenous novel writing Essays focus on specific periods of major change in Australian history or range broadly across themes and issues that have influenced fiction across many years and in many parts of the country      **APAIS 1992: Australian public affairs information service ,      Allegory Studies** Vladimir Brljak,2021-08-30 Allegory Studies Contemporary Perspectives collects some of the most compelling current work in allegory studies by an international team of researchers in a range of disciplines and specializations in the humanities and cognitive sciences The volume tracks the subject across disciplinary cultural and period based divides from its shadowy origins to its uncertain future and from the rich variety of its cultural and artistic manifestations to its deep cognitive roots Allegory is everything we already know it to be a mode of literary and artistic composition and a religious as well as secular interpretive practice As this volume attests however it is much more than that much more than a sum of its parts Collectively the phenomena we now subsume under this term comprise a dynamic cultural force which has left a deep imprint on our history whose full impact we are only beginning to comprehend and which therefore demands precisely such dedicated cross disciplinary examination as this book seeks to provide      *The Victorian Colonial Romance with the Antipodes* H. Blythe,2014-05-21 This study treats the Victorian Antipodes as a compelling site of romance and satire for middle class writers who went to New Zealand between 1840 and 1872 Blythe s research fits with the rising study of settler colonialism

and highlights the intersection of late Victorian ideas and post colonial theories      **Athenaeum and Literary Chronicle**  
,1854      *Transdisciplinary Journeys in the Anthropocene* Kate Wright,2016-12-08

*Transdisciplinary Journeys in the Anthropocene* offers a new perspective on international environmental scholarship focusing on the emotional and affective connections between human and nonhuman lives to reveal fresh connections between global issues of climate change species extinction and colonisation Combining the rhythm of road travel interviews with local Aboriginal Elders and autobiographical storytelling the book develops a new form of nature writing informed by concepts from posthumanism and the environmental humanities It also highlights connections between the studied area and the global environment drawing conceptual links between the auto ethnographic accounts and international issues This book will be of great interest to scholars and postgraduates in environmental philosophy cultural studies postcolonial theory Australian studies anthropology literary and place studies ecocriticism history and animal studies *Transdisciplinary Journeys in the Anthropocene* may also be beneficial to studies in nature writing ecocriticism environmental literature postcolonial studies and Australian studies

*Contemporary Australian Literature* Nicholas Birns,2015-12-01 Australia has been seen as a land of both punishment and refuge Australian literature has explored these controlling alternatives and vividly rendered the landscape on which they transpire Twentieth century writers left Australia to see the world now Australia s distance no longer provides sanctuary But today the global perspective has arrived with a vengeance In *Contemporary Australian Literature A World Not Yet Dead* Nicholas Birns tells the story of how novelists poets and critics from Patrick White to Hannah Kent from Alexis Wright to Christos Tsiolkas responded to this condition With rancour concern and idealism modern Australian literature conveys a tragic sense of the past yet an abiding vision of the way forward Birns paints a vivid picture of a rich Australian literary voice one not lost to the churning of global markets but in fact given new life by it Contrary to the despairing of the critics Australian literary identity continues to flourish And as Birns finds it is not one thing but many In this remarkable bold and fearless book Nicholas Birns contests how literary cultures are read how they are constituted and what they stand for In examining the nature of the barriers between public and private utterance and looking outside the absurdity of the rules of genre Birns has produced a redemptive analysis that leaves hope for revivifying a world not yet dead John Kinsella      **A**

**History of Displaced Knowledge: Austrian Refugees from National Socialism in Australia** Philipp Strobl,2025-04-07 This book follows ideas and knowledge that migrated in the cultural baggage of Austrian refugees who fled to Australia in 1938 and 1939 because of National Socialism By telling and comparing the stories of twenty six different lives it highlights the processes of acquisition transportation translation and adaption of ideas knowledge and cultural capital This provides a unique and colourful insight into the impact of a group of refugees on their host society over several decades As the book shows there were many different ways in which displaced people relied upon their social and cultural capital to first escape their oppressive homeland and then build new lives Once they had arrived in Australia they used very different approaches to

negotiate and promote their knowledge and to exercise agency      *Philosophy, Ethics and a Common Humanity* Christopher Cordner, 2012-04-27 The work of Raimond Gaita in books such as *Good and Evil* *An Absolute Conception* *A Common Humanity* and *The Philosopher's Dog* has made an outstanding and controversial contribution to philosophy and to the wider culture In this superb collection an international team of contributors explore issues across the wide range of Gaita's thought including the nature of good and evil philosophy and biography the unthinkable Plato and ancient philosophy Wittgenstein the religious dimensions of Gaita's work aspects of the Holocaust and aboriginal reconciliation in Australia      **A Theology of Land** Christopher Gerard Sexton, 2019-07-01 On the face of things the spirituality of Australia's Aborigines is hard to reconcile with a spirituality of Christian theology with its human centrism apt to a Son of God in Man made flesh in Jesus Christ Nevertheless this author Christopher Sexton a Sydney based lawyer drew on his deep Catholic theological beliefs and intense dialogue with Aboriginal elders to find a surprisingly common ground and in abundance The creation stories of each lay emphasis on humanity's stewardship for the search and its mystical riches Here is a book by a Christian lawyer who consulted widely and deeply with our First People's He found more in common between our distinct spiritualities than might be expected Proving once again that listening deeply to each other will often yield common ground      **History and Political Economy** Peter D. Groenewegen, 2004 This book brings together a collection of essays in honour of Peter Groenewegen one of the most distinguished historians of economic thought His work on a wide range of economic theorists approaches a level of near insuperability      Virtual Voyages Paul Longley Arthur, 2011 *Virtual Voyages* is a fascinating account of the European discovery of the elusive great south land told through the literature of imaginary voyages Written at the height of the era of European maritime exploration these bizarre and captivating tales with their wildly imaginative visions of antipodean inversion and strangeness reveal a hidden history of attitudes to colonization By exposing the relationship between myth and reality in the antipodes this book casts new light on the power of fiction to influence history
