Tony Stead, 2023-10-11 The book you are about to read is destined to be the first middle and maybe even the last word on nonfiction writing for young young children It is certainly a text that you will return to over and over again as you do with a beloved cookbook from the Foreword by Tomie dePaola Over eighty five percent of the reading and writing we do as adults is nonfiction yet most of the reading and writing in K 3 classrooms is fiction or personal narrative In *Is That a Fact Teaching Nonfiction Writing K 3* Tony Stead shows you how to open the door to the rich world of nonfiction writing that goes beyond what I did narratives and animal reports And he convincingly demonstrates the importance of introducing nonfiction writing in the primary grades Nonfiction inspires enthusiasm in young children because they can choose topics that are of interest to them personally *Is That a Fact* explores a variety of authentic purposes for writing nonfiction such as describing explaining instructing persuading retelling and exploring relationships with others You will learn how to introduce each purpose using a variety of forms including letters reports poetry captions directions and interviews Part One provides a complete overview of teaching nonfiction writing in the primary grades and includes practical ways for organizing nonfiction resources within the classroom how to assist children in collecting information for research ideas for helping children keep their sense of voice when writing nonfiction a chapter on spelling with examples of how to guide students at each stage of spelling development strategies for assessment and evaluation that guide teaching and learning engagements Part Two provides five different explorations that were implemented in actual K 3 classrooms Each focuses on a specific purpose for writing nonfiction and features examples of whole class small group and independent instructional engagements a comprehensive assessment rubric that will help teachers tailor instruction to the needs of all learners an extensive resource section that includes lists of books in the exploration grouped by readability levels answers to the most commonly asked questions about teaching nonfiction writing The appendixes include a self assessment questionnaire reproducible pages for exploring specific writing forms and letters to parents Children need to be introduced to the different purposes of nonfiction writing They need to know how to plan compose revise and publish nonfiction beyond narrative *Is That a Fact* guides you in achieving these goals with your students

Creating High-Quality Classroom

Assignments Lindsay Clare Matsumura, 2005-02-24 Research indicates that the quality of classroom assignments makes a difference in student learning. Moreover, assignment quality varies between teachers even within the same school, and there is room for improvement in many of the assignments that teachers provide to students. Assignment quality as described in this book puts into practice powerful research-based concepts for teaching. To support teachers in developing, reflecting on, and fine-tuning the assignments they create, this book presents a series of dimensions or rubrics with benchmark examples from elementary, middle, and high school classrooms. The purpose of these rubrics is to serve as diagnostic tools to assess the strengths and weaknesses of an assignment as well as to guide the creation of new assignments for students. Questions also are included at the end of every chapter to guide reflection on a specific dimension of assignment quality. Topics cover: Choosing the right text; Setting clear and rigorous learning goals; Developing an assignment activity that gives students a chance to apply complex thinking skills; Developing clear and rigorous grading criteria; Communicating the expectations for high quality work to students; Writing high quality assignment directions; Providing comments that support student revision; Aligning the learning goals with the assignment activity and the grading criteria. Will be useful to teachers for self-assessment purposes, collaborative professional development settings, or as a basic text in teacher education courses.
