These short stories are about the journey called life There are Native American stories Asian stories Southern stories and a collection of others that teach life's lessons I have had an interesting journey thus far growing up in Louisville Kentucky and joining the Marines at seventeen I served three tours in Vietnam and was at the Mayaguez recapture of the ship and crew I currently live on the Big Island of Hawaii in Kurtistown I collected these stories that are viewed through the eyes of different cultures on my journeys throughout the world while in the Marines and as a civilian Many of the Native American stories were passed down from generation to generation by my mother an Iroquois Indian My father was multi-cultural and as we would say in Hawaii a poi dog culture The Asia stories came from my travels in Asia while my Southern upbringing is the basis of other tales Some are meant to guide and direct our actions on our journey through life while others attempt to explain the meaning of life and the hereafter *Atoned Biker* Vivian Gray,

Atoned Biker is book 3 and the finale of the Devil s Crucifix MC trilogy I m about to take her til I break her I always get what I want and what I want is her She can try to fight it but we both know she wants to be owned She wants to be held close and made to moan for hours And I m coming to finish what I started ASH A violent past poured blood onto my soul and burned hellfire in my heart I ve been trying to get out for so long But now everything I care about is burning Dani has her whole life lying ahead of her And now one of my demons is threatening to strip it all away The thing is I m not exactly innocent in Dani s downfall My enemy may have lit the match But I m going to throw gasoline on the fire Because Dani ventured too close to the inferno in my mind Even though she shouldn t want me Even though touching me is a risk few have survived A woman like her just can t stay away from my heat But I m the only one who can keep her alive Here in this outlaw world I rule by force Survival of the fittest is the name of the game And she fits perfectly on the back of my chopper I don t care that she didn t invite me into her life I m here now And protecting her is all I give a d mn about Better than she s kept safe by a monster than chained down by a devil DANI Where there s smoke there s fire Getting close enough to burn was never part of the plan But Ash took that choice away from me Ash A man whose chiseled tattooed body is matched only by his ruthlessness and loyalty A man who confuses arouses and frightens me I didn t ask for him to save me And just because I owe him my life doesn t mean I plan on letting him collect his debt At least that s what I told myself But Ash is coming to claim what s his what s rightfully his And I m about to discover what it s like to be owned Because the look in the biker s eyes says he s moments away from erupting I ve got nowhere to run Nowhere to escape those rough hands claiming every curve Nowhere to hide from that gaze that strips me bare No way to shut out the words as he leans down and whispers in my ear You belong to me
