

## **NCERT Solutions for Class 9 English**

### **Beehive Chapter 1: The Road Not Taken**

#### **I. Thinking about the poem**

##### **1. Where does the traveler find himself? What problem does he face?**

**Ans:** The traveler finds himself standing at the fork of the road in a yellow wood. He needs to decide which road to choose, and he stands at the fork analyzing his dilemma.

##### **2. Discuss what these phrases mean to you:**

###### **i. a yellow wood**

**Ans:** Yellowwood symbolizes the autumn season in the forest. Autumn represents the shedding of the old and the dead leaves on the tree withers away. It also refers to the old age in human life where he loses all his physical abilities, preparing to ascend to the next stage.

###### **ii. it was grassy and wanted wear**

**Ans:** It conveys that the road was full of undisturbed vegetation because it was a less traveled one. The poet personifies the road by saying 'wanted wear.' It could imply the road wanted to be explored or traveled by visitors, which it was not.

###### **iii. the passing there**

**Ans:** The phrase is used to address the other path that is frequently traveled by the visitors. He addressed the road as secondary as he was keener to explore the road with outgrown vegetation.

###### **iv. leaves no step had trodden black**

**Ans:** The poet uses the phrase to describe the untouched state of the path. After walking over the leaves their edges turn black which was not the case here. He went on a walk early in the morning, and one had walked on either of the roads, and leaves from the trees lay fresh on them.

###### **v. how way leads on to way**

**Ans:** The phrase tells us about the poet's desire to try both the roads and see the destination. But he soon realizes how one way will lead to another
