The Year Of Living Virtuously Weekends Off:

The Year of Living Virtuously Teresa Jordan, 2015-11-10 Benjamin Franklin was in his early twenties when he embarked on a bold and arduous project of arriving at moral perfection intending to master the virtues of temperance silence order resolution frugality industry sincerity justice moderation cleanliness tranquility chastity and humility He soon gave up on perfection but continued to believe that these virtues coupled with a generous heart and a bemused acceptance of human frailty laid the foundation for not only a good life but also a workable society Writer and visual artist Teresa Jordan wondered if Franklin's perhaps antiquated notions of virtue might offer guidance to a nation increasingly divided by angry righteousness She decided to try to live his list for a year focusing on each virtue for a week at a time and taking weekends off to attend to the seven deadly sins The journal she kept became this collection of beautifully illustrated essays weaving personal anecdotes with the views of theologians philosophers ethicists evolutionary biologists and a whole range of scholars and scientists within the emerging field of consciousness studies Teresa Jordan offers a wry and intimate journey into a year in midlife devoted to the challenge of trying to live authentically

The Colonialism of Human Rights Colin Samson,2020-05-28 Do so called universal human rights apply to indigenous formerly enslaved and colonized peoples This trenchant book brings human rights into conversation with the histories and afterlives of Western colonialism and slavery Colin Samson examines the paradox that the nations that credit themselves with formulating universal human rights were colonial powers settler colonists and sponsors of enslavement Samson points out that many liberal theorists supported colonialism and slavery and how this illiberalism plays out today in selective often racist processes of recognition and enforcement of human rights To reveal the continuities between colonial histories and contemporary events Samson connects British French and American colonial theories and practice to the notion of non universal human rights Vivid illustrations and case studies of racial exceptions to human rights are drawn from the afterlives of the enslaved and colonized as well as recent events such as American police killings of black people the treatment of Algerian harkis in France the Windrush scandal in Britain and the militarized suppression of the Standing Rock Water Protectors movement Advocating for reparative justice and indigenizing law Samson argues that such events are not a failure of liberalism so much as an inbuilt racial dynamic of it *Reinvented Lives* Charles Handy,Elizabeth Handy,2011-03-31

Twenty eight women ranging from Anita Roddick and Prue Leith to less well known names write their own personal stories which are accompanied by Elizabeth Handy's black and white photographs and an introductory essay by Charles Handy. This generation of women is entering the sixties more healthy, more educated and more energetic than most of their mothers. The subjects in this book provide the models for what has become for the first time a new age for many women. Released from most of the cares and responsibilities that accompany midlife for women, they are free to reinvent themselves to give more time to their career or calling or to luxuriate in the serenity and friendships that few had time for in the past. Some enter new relationships, some start new careers or go back to study, some find that their work is only now reaching its peak. Many have survived traumas and tragedies but the past is just the prologue as one of them explains.

Mike Royko: The Chicago Tribune Collection 1984-1997 Mike Royko, 2014-11-04 Mike Royko's *The Chicago Tribune Collection 1984-1997* is an expansive new volume of the longtime Chicago news legend's work. Encompassing thousands of his columns, all of which originally appeared in the Chicago Tribune, this is the first collection of Royko's work to solely cover his time at the Tribune. Covering politics, culture, sports and more, Royko brings his trademark sarcasm and cantankerous wit to a complete compendium of his last 14 years as a newspaper man. Organized chronologically, these columns display Royko's talent for crafting fictional conversations that reveal the truth of the small-minded in our society. From cagey political points to hysterical take-downs of meatball sports fans, Royko's writing was beloved and anticipated anxiously by his fans. In plain language, he tells it like it is on subjects relevant to modern society. In addition to his columns, the book features Royko's obituary and articles written about him after his death, telling the tale of his life and success. This ultimate collection is a must-read for Royko fans, longtime Chicago Tribune readers and Chicagoans who love the city's rich history of dedicated and insightful journalism.

I Smoke Pot with My Family Ruthie Bergner, 2005-07 In her revealing book *I Smoke Pot with My Family*, 85-year-old Ruth Bergner speaks out about the valuable and positive experiences she began having with just one puff of marijuana. Try it so you know what the hell you are talking about, her valedictorian son challenged in 1970. Ruthie and her husband were surprised to discover that contrary to what they knew about pot, the drug actually enhanced many areas of their lives instead of interfering. Excited about what she was experiencing, she began to write a book. Reluctant and fearful of what the exposé could do to her family's name, she kept it hidden beneath her bathroom sink. Now, after more than thirty years of personal experience and secrecy, Bergner hopes to make an important contribution to the world by sharing her story. She insists that we control the drug; it doesn't control us. She writes that when used intelligently and responsibly, marijuana can promote comfortable intimacy, improve family relationships, dissipate anger and judgment, temporarily erase sexual hang-ups, make us less defensive and give us a fresh perspective on life. Bergner wants marijuana reclassified from the bad drug category to the good drug category. She calls on other respectable people who smoke pot to stand up, speak out and smoke responsibly with her. Bergner's honesty is one more step up the ladder to removing the lid of misinformation and dishonesty.
