for speaking fluently about 36 everyday topics This book is the ultimate stepping stone from intermediate to advanced English Lots of intermediate English speakers tend to get trapped using the same vocabulary over and over again They often only speak about subjects they know the words for and avoid anything outside of their comfort zone The problem with this is that even though they sound ok they never really get any better If you really want to improve you need to be able to speak about a wide range of topics For this you will need to learn the special vocabulary connected to these topics What are the benefits of using this book You will learn over 600 useful words and phrases You will be able to speak about 36 new topics with confidence This will greatly improve your English conversational ability All new words and phrases are introduced in fun and interesting articles and stories So you will learn naturally Everything is explained in easy to understand English so you can get used to thinking in English There are 100 s of example sentences to help you understand how these words and phrases are used in everyday language For each topic I have listed useful television shows and YouTube channels to help you practice your new vocabulary Remember these are all topics that native speakers often talk about They also tend to use specialised language so it s important that you know it too If you are in the intermediate level and are looking to really improve then this a great place to start Get started on your journey to English fluency today by clicking the buy button

Life Itself Annie van den Oever,2008 *Life Itself* is the first book length study in English of the great Flemish writer Louis Paul Boon A M A van den Oever begins by questioning the paradox between Boon s international reputation as a significant innovator of the novel and the peculiarly reductive biographical interpretations regularly uttered by some of his fellow countrymen and contemporaries She looks for answers in Boon s misinterpreted primitive Flemish and analyzes the so called refined pseudo primitive style within both the grotesque tradition Kafka van Ostaijen Gogol and the skeptical radical tradition of Nietzsche In addition she offers fresh insight into Boon s character Boontje seen by many as a diminutive for the writer himself outlining the sublime and slightly sinister relation of this quasi comical character to its mighty creator *Cheater's Guide to Speaking English Like a Native* Boye Lafayette De Mente,2011-12-27 Increase your fluency of English through the mastery of common English idioms and expressions All Native English speakers use a large number of proverbs and colloquial expressions in their daily conversations These common sayings which evolved over the centuries are like codes that reveal the cultural values and attitudes of the speakers To obtain complete fluency in the English language it is necessary to be familiar with these expressions and know how and when to use them With a user friendly format *The Cheater s Guide to Speaking English like a Native* is a shortcut to achieving that goal **Threads of Time** Elizabeth

Jayne,2013-03-03 Love across the centuries A holiday to England new places new faces it was just what Julianna Edwards needed to liven up her ordinary life But that holiday becomes a nightmare when she finds herself transported two hundred years into the past With no idea how she had time travelled and even less idea how she was going to get back home Julianna must learn to blend into this strange new world while continuing to search for answers But as the weeks turn into months

with no answers forthcoming Julianna must face her worst fear of being stuck in the past forever How was she going to survive life in the nineteenth century with no home and no money Charming and handsome William Winston may hold the answers to her problems but could she really give up all hope of ever returning home
