world of great books and bad movies family and philosophy British comedians and Italian divas Whether writing on Katherine Hepburn Kafka Anna Magnani or Zora Neale Hurston she brings deft care to the art of criticism with a style both sympathetic and insightful Changing My Mind is journalism at its most expansive intelligent and funny a gift to readers and writers both

Zora Neale Hurston's *Their Eyes Were Watching God* Christopher A. Hubert, 1996 Presents a guide to reading and understanding Zora Neale Hurston's *Their Eyes Were Watching God* featuring a profile of the author historical background on the story a list of characters a summary of the novel and chapter analyses and summaries with study questions and answers as well as suggested essay topics Critical Appropriations Simone C. Drake, 2014-05-12 From the novels of Toni Morrison to the music of Beyoncé Knowles the cultural prevalence of a transnational black identity as created by African American women is more than a product of geographic mobility Rather as author Simone C. Drake shows these constructions illuminate our understanding of a chronically marginalized demographic In *Critical Appropriations* Drake contends that these fluid and heterogeneous characterizations of black females arise from multiple creative outlets literature film and music videos and reflect African American women's evolving concept of home community gender and family Through a close examination of Toni Morrison's *Paradise* Danzy Senna's *Caucasia* Gayl Jones's *Corregidora* Erna Brodber's *Louisiana* and Kasi Lemmons's film *Eve's Bayou* as well as Beyoncé Knowles's *B'Day* album and music video collaboration with Shakira Beautiful Liar Drake reveals how concepts of hybridity whether positioned as *cr olit Candombl n gritude Latinidad* or *Brasilidade* are appropriated in each work of art as a way of challenging the homogeneous paradigm of black cultural studies This redefined notion of identity enables African American women to embrace a more complex transnational blackness that is not only more liberating but also more pertinent to their experiences Drawing from this borderless exchange of ideas and a richer concept of self *Critical Appropriations* offers a rewarding reconsideration of the creative implications for African American women mapping new directions in black women's studies Zora Neale Hurston Cynthia Davis, Verner D. Mitchell, 2013-05-09 Zora Neale Hurston 1891-1960 the most prominent of the Harlem Renaissance women writers was unique because her social and professional connections were not limited to literature but encompassed theatre dance film anthropology folklore music politics high society academia and artistic bohemia Hurston published four novels three books of nonfiction and dozens of short stories plays and essays In addition she won a long list of fellowships and prizes including a Guggenheim and a Rosenwald Yet by the 1950s Hurston like most of her Harlem Renaissance peers had faded into oblivion An essay by Alice Walker in the 1970s however spurred the revival of Hurston's literary reputation and her works including her 1937 novel *Their Eyes Were Watching God* have enjoyed an enduring popularity Zora Neale Hurston An Annotated Bibliography of Works and Criticism consists of reviews of critical interpretations of Hurston's work In addition to publication information each selection is carefully crafted to capture the author's thesis in a short pithy analytical framework Also included are original essays by eminent Hurston scholars that contextualize the bibliographic entries Meticulously

King,Linda F. Selzer,2016-04-30 This collection contributes to scholarly discussions about the African American novel as a literary form Essays respond to the general question what has been the impact of the African American vernacular tradition from the spirituals blues gospel and jazz to hip hop on the structure and style of the modern African American novel

Love, Friendship, and Narrative Form After Bloomsbury Jesse Wolfe,2022-12-15 Exploring how the Bloomsbury Group s cutting edge thinkers Virginia Woolf Sigmund Freud and E M Forster understood the intimacy of friends lovers spouses and families as historically unfolding phenomena this book offers a compelling account of modernism s legacies in contemporary fiction and demonstrates the myriad ways in which intimacy was a guiding and persistent idea explored by writers across the 20th century and up to the present day Often modernists have been celebrated for their insights into social and civilizational sickness but this book unearths a strain of modernist thought that is more complex and inspiring than this It discusses how Bloomsbury s thinkers wrestled with the question Does intimate life improve as sexual egalitarianism expands as taboos against same sex love interracial love and singlehood wane and as parents and children relate less formally and often more warmly toward one another And it discusses how many of today s major novelists such as Salman Rushdie Zadie Smith Ian McEwan and Rachel Cusk look to Bloomsbury s thematic and formal examples when they reformulate this question for our time Love's Virtues Mike W. Martin,1996 This book brings together a sensitive understanding of love and an unusually careful even painstaking analysis of the enormous but often neglected role of morality and the virtues in love Martin s

discussions of such virtues as caring courage fidelity and honesty are superb the examples well chosen the argument personal but nevertheless rigorous the prose accessible and enjoyable to read Haunted Bodies Anne Goodwyn Jones,Susan Van D'Elden Donaldson,1997 In *Haunted Bodies* Anne Goodwyn Jones and Susan V Donaldson have brought together some of our most highly regarded southern historians and literary critics to consider race gender and texts through three centuries and from a wealth of vantage points Works as diverse as eighteenth century court petitions and lyrics of 1970s rock music demonstrate how definitions of southern masculinity and femininity have been subject to bewildering shifts and disabling contradictions for centuries **Inventing the New Negro** Daphne Lamothe,2013-03-01 It is no coincidence

Daphne Lamothe writes that so many black writers and intellectuals of the first half of the twentieth century either trained formally as ethnographers or worked as amateur collectors of folklore and folk culture In *Inventing the New Negro* Lamothe explores the process by which key figures such as Zora Neale Hurston Katherine Dunham W E B Du Bois James Weldon Johnson and Sterling Brown adapted ethnography and folklore in their narratives to create a cohesive collective and modern black identity Lamothe explores how these figures assumed the roles of self reflective translators and explicators of African American and African diasporic cultures to Western largely white audiences Lamothe argues that New Negro writers ultimately shifted the presuppositions of both literary modernism and modernist anthropology by making their narratives as much about ways of understanding as they were about any quest for objective knowledge In critiquing the ethnographic framework within which they worked they confronted the classist racist and cultural biases of the dominant society and challenged their readers to imagine a different set of relations between the powerful and the oppressed *Inventing the New Negro* combines an intellectual history of one of the most important eras of African American letters with nuanced and original readings of seminal works of literature It will be of interest not only to Harlem Renaissance scholars but to anyone who is interested in the intersections of culture literature folklore and ethnography

The Lemonade Reader Kinitra D. Brooks, Kameelah L. Martin, 2019-05-24 The *Lemonade Reader* is an interdisciplinary collection that explores the nuances of Beyoncé's 2016 visual album *Lemonade* The essays and editorials present fresh cutting edge scholarship fueled by contemporary thoughts on film material culture religion and black feminism Envisioned as an educational tool to support and guide discussions of the visual album at postgraduate and undergraduate levels The *Lemonade Reader* critiques *Lemonade*'s multiple Afrodiasporic influences visual aesthetics narrative arc of grief and healing and ethnomusicological reach The essays written by both scholars and popular bloggers reflect a broad yet uniquely specific black feminist investigation into constructions of race gender spirituality and southern identity The *Lemonade Reader* gathers a newer generation of black feminist scholars to engage in intellectual discourse and confront the emotional labor around the *Lemonade* phenomena It is the premiere source for examining *Lemonade* a text that will continue to have a lasting impact on black women's studies and popular culture
