Chryssides, 2008-07-17 The theme of prophecy the doctrine of the 144 000 end time calculations Armageddon and the Witnesses denial of hell are all considered in the Historical Dictionary of Jehovah's Witnesses which contains a chronology an introductory essay a bibliography and 250 cross referenced dictionary entries relating to key people and concepts **Another Jesus, a Different Spirit, a Different Gospel** Steven H. Propp, 2011-12-13 It's the Christmas season the most wonderful time of the year for most people in River City California But for Jehovah's Witnesses Lawrence and Brad it's a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed

rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovah's coming Kingdom. Whereas for Elders Skousen and Marshall, two Latter-day Saint Mormon missionaries, the season is another opportunity to share their Church's distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well. In the course of their work, these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ, the Community of Christ, RLDS, Seventh-day Adventists, and Oneness Pentecostals, not to mention skeptics, atheists, and the increasing numbers of people who lack any particular religious beliefs. But when a local church brings in a researcher to give a series of lectures on cults and specifically targeting the Jehovah's Witnesses and Mormons, a confrontation is ensured where theological and biblical concepts collide in a public forum. Who, if anyone, really has the Truth? Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season? Are objections raised about the secularization and rampant commercialism of the modern celebration valid? Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions. Readers of the authors' earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book. *United States of America V. Mango*, 1954. Routledge Library Editions: Sociology of Religion. Various, 2021-07-14. This set collects together in 19 volumes a wealth of texts on Sociology of Religion. An invaluable reference resource, it contains classic books on a wide range of topics including religion and violence, religion and family life, religion and society, culture and class. *Jehovah's Witnesses*, Marley Cole, 2019-03-19. This book, first published in 1956, is the first authoritative comprehensive account of the worldwide activities of Jehovah's Witnesses. It traces their origins and development, and a special section covers the founding organization and development of the movement in Great Britain. Zininger V. United States of America, 1973.
