Speaking from his experience as a mission mobilizer John Bailey shares real life stories from the journey Stories of success and failure reveal that a better way is not only possible but it is within reach Journey to a Better Way seeks to investigate some of the core reasons why we do not have the impact we hope to have when we face these social physical and spiritual ills Looking through the lens of the Wesleyan mission heritage Journey to a Better Way explores correct motives healthy mission models and unity in the body of Christ as critical areas to consider if we hope to perform better missions
