Things Fall Apart Chinua Achebe, 1997? **Bible Study Book Shielded by Faith** Jesus Bible Foundation, 2025-07-13 Established in 2017 under the themed scripture Acts 19:20, the Jesus Bible Foundation sprouted from a profound realization. The timeless teachings of the Bible in our rapidly evolving digital era risked becoming eclipsed by the relentless surge of information. In response, a committed group of scholars, theologians, and laypeople rallied together, united by a collective vision to reintroduce the Bible's ageless wisdom into daily modern life in a way that is both accessible and profoundly relevant. Acts 19:20 In this powerful way, the word of the Lord kept spreading and growing stronger. It is the greatest pleasure to share the scriptures with you, and I hope you will be blessed through them. **English in Africa**, 2001

A New Reader's Guide to African Literature Hans M. Zell, Carol Bundy, Virginia Coulon, 1983 **Best Practices in Adolescent Literacy Instruction, Second Edition** Kathleen A. Hinchman, Heather K. Sheridan-Thomas, 2014-05-01 An authoritative teacher resource and widely adopted text, this book provides a comprehensive overview of adolescent literacy instruction in the era of the Common Core State Standards (CCSS). Leading educators describe effective practices for motivating diverse learners in grades 5-12, building comprehension of multiple types of texts, integrating literacy and content area instruction, and teaching English language learners and struggling readers. Case examples, lesson planning ideas, and end-of-chapter discussion questions and activities enhance the utility of the volume. New to This Edition: Extensive CCSS content incorporated throughout the book. Chapters on disciplinary literacy, text complexity, and differentiated instruction. Chapters on academic language, writing instruction, history and English language arts classrooms, and coaching. **English for Life?** G. P. McGregor, 2002 This book is written primarily as a guide for teachers of English as a second language, drawing upon experiences and research in Uganda, Zambia, Kenya, South Africa, and Britain. It acknowledges the recent progress and expansion of education in the African countries and the necessity to equip non-specialist teachers who must nevertheless deliver curricula in English to large classes with limited resources and nurture a high standard of English in their students. The work has relevance also for pedagogues and linguists. Chapters are included on using the students' first language experience, English and communication, encouraging students to cooperate rather than compete, an assessment of the vital
