News CBS This Morning and Good Morning America and in the New York Times the Washington Post and hundreds of other media outlets worldwide They Don't Teach You How to Get Rich at School Laura Maya, 2015-10-30 Sick of Hearing the Same Old Advice Word Hard Control your expenses Credit Card is a No NO Do not get into Debt Debunk all those assumptions that you will be Rich if you study hard and work hard This Book is actually not one of those They don't teach you how to get rich at school is all about the importance of money The premise of the book clearly distinguishes the difference between the thinking of the rich and the poor In essence the only limitation between you and the rich is in your own mind and achieving success lies in breaking these walls At schools you would have been stuck at algebra Pythagorean Theorem and organic chemistry but you never study financial planning making money or saving money The book provides real life examples to reprogram your thinking to that of the rich and wealthy You can't just graduate and leave formal education and expect yourself to be financially well equipped Many people think that having a good education is sufficient to the roads to acquire new wealth well they can't be any more wrong It is having the mindset of the wealthy that will make you rich That is why many lotto winners who becomes instant millionaires loses most of their money because they don't have the proper mindset to maintain or grow their money You'll discover why some of your money beliefs might be wrong and that could be holding you back you need to consider what are the principles and what behaviors the rich have that you do not have Yet Laura Maya takes this idea and breaks it into twelve chapters You wouldn't find a recipe to turn rich overnight Rather the book provides a solid foundation for setting the psychological stage for strong financial habits Another feature of They don't teach you how to get rich at school is the anecdotal references in the book Laura likes to use lots of anecdotes to illustrate her points and she is quite good at it For me I found these references very apt to my observations in life What's Inside They Don't Teach You How To Get Rich at School The book is divided into twelve chapters Chapter 1 How you think about money really matters Chapter 2 They don't teach you how to be rich at school Chapter 3 Myth or Lies Which is True Chapter 4 Learn How the Rich Think to Become Wealthy Chapter 5 Wealth Empowering Beliefs Chapter 6 Change Your Money Mindset with Neuro Linguistic Programming Chapter 7 Change Your Money Mindset with Hypnotherapy Chapter 8 Break free from Ego Chapter 9 Strategies for Improving Your Chances to get Rich Chapter 10 Let Money begets money Chapter 11 Developing your money making skill mental emotional and financial intelligence The premise of this book is straightforward Rich people are programmed to think differently Essentially there are 18 ways in which rich people and poor people think differently This chapter walks you through these 18 points clearly differentiating how rich and poor people think Studying hard getting nice grades and getting a job is not enough to be rich That's one lie which we have been fed with since our childhood There is a difference between scholastic professional and financial education The book further analyzes the root cause of why you are not rich It all boils down to your education You were never taught about how to be rich at school Forget that you never even learned personal finance or how to handle money It further touches upon how you can get smart with personal finance

Fin(anci)ally Free Ande Frazier, 2020 Early in her more than twenty five year career Ande Frazier rejected traditional planning methods that didn't account for how emotions factor into women's financial decision making. Developing an expertise in behavioral finance she saw again and again that conventional wisdom about women and money was flawed. It's not women's finances that determine their self worth. It's women's sense of self worth that determines their finances. And like that a new philosophy was born. In *Fin(anci)ally Free* 11 Conversations to Have with Yourself About Life, Money and Worth Ande reveals her philosophy by guiding you through the conversations you must have with yourself to discover what drives your own approach to money and how to break through what's holding you back from financial well being. Designed to help you make financial decisions aligned with your personal values and goals *Fin(anci)ally Free* gives you the tools to take control of your financial journey.
