Snyder,2011-06-20 Two of the most pressing questions facing international historians today are how and why the Cold War ended Human Rights Activism and the End of the Cold War explores how in the aftermath of the signing of the Helsinki Final Act in 1975 a transnational network of activists committed to human rights in the Soviet Union and Eastern Europe made the topic a central element in East West diplomacy As a result human rights eventually became an important element of Cold War diplomacy and a central component of détente Sarah B Snyder demonstrates how this network influenced both Western and Eastern governments to pursue policies that fostered the rise of organized dissent in Eastern Europe freedom of movement for East Germans and improved human rights practices in the Soviet Union all factors in the end of the Cold War *Realignments in Russian Foreign Policy* Rick Fawn,2004-11-23 This collection provides international perspectives on the evolution of Russia's foreign relations and analyses official Russian

responses to major regional and international developments including NATO and EU enlargement and the post September 11 international war on terrorism *The Many Hands of the State* Kimberly J. Morgan, Ann Shola Orloff, 2017-02-27 This book offers a sampling of cutting edge research on the state pointing to future directions for research and providing innovative ways of theorizing states *Embodied Power* Mary Hawkesworth, 2016-04-28 Embodied Power explores dimensions of politics seldom addressed in political science illuminating state practices that produce hierarchically organized groups through racialized gendering despite guarantees of formal equality Challenging disembodied accounts of citizenship the book traces how modern science and law produce race gender and sexuality as purportedly natural characteristics masking their political genesis Taking the United States as a case study Hawkesworth demonstrates how diverse laws and policies concerning civil and political rights education housing and welfare immigration and securitization policing and criminal justice create finely honed hierarchies of difference that structure the life prospects of men and women of particular races and ethnicities within and across borders In addition to documenting the continuing operation of embodied power across diverse policy terrains the book investigates complex ways of seeing that render raced gendered relations of domination and subordination invisible From common assumptions about individualism and colorblind perception to disciplinary norms such as methodological individualism methodological nationalism and abstract universalism problematic presuppositions sustain mistaken notions concerning formal equality and legal neutrality that allow state practices of racialized gendering to escape detection with profound consequences for the life prospects of privileged and marginalized groups Through sustained critique of these flawed suppositions Embodied Power challenges central beliefs about the nature of power the scope of state action and the practice of liberal democracy and identifies alternative theoretical frameworks that make racialized gendering visible and actionable Key Features Demonstrates how understandings of politics change when the experiences of men and women of diverse classes races and ethnicities are placed at the center of analysis Explains why race neutral and gender neutral policies fail to eliminate entrenched inequalities Shows how accredited methods in political science and the social sciences more generally mask state practices that create and sustain racial and gender inequality Traces how mistaken notions of biological determinism have diverted attention from political processes of racialization gendering and sexualization Argues that the intersecting categories of race class gender and sexuality are essential to all subfields of political science if contemporary power is to be studied systematically **The Global Community Yearbook of International Law and Jurisprudence 2015** Giuliana Ziccardi Capaldo, 2016-10-11 The Global Community Yearbook is a one stop resource for all researchers studying international law generally or international tribunals specifically The Yearbook has established itself as an authoritative source of reference on global legal issues and international jurisprudence It includes analysis of the most significant global trends in a way that allows readers to monitor the development of the global legal order from several perspectives The Global Community Yearbook publishes annually in a volume of carefully chosen primary source material

and corresponding expert commentary The general editor Professor Giuliana Ziccardi Capaldo employs her vast expertise in international law to select excerpts from important court opinions and to choose experts from around the world to contribute essay guides which illuminate those cases Although the main focus is recent case law from the major international tribunals and regional courts the first four parts of each year's edition features expert articles by renowned scholars who address broader themes in current and future developments in international law and global policy themes that appear throughout the case law of the many courts covered by the series as a whole The Global Community Yearbook has thus become not just an indispensable window to recent jurisprudence the series now also serves to prepare researchers for the issues facing emerging global law The 2015 edition of The Global Community Yearbook both updates readers on the important work of long standing international tribunals and introduces readers to more novel topics in international law The Yearbook has established itself as an authoritative resource for research and guidance on the jurisprudence of both U N based tribunals and regional courts The 2015 edition continues to provide expert coverage of the Court of Justice of the European Union and diverse tribunals from the criminal tribunals for the Former Yugoslavia and Rwanda to economically based tribunals such as ICSID and the WTO Dispute Resolution panel This edition includes expert introductory essays by prominent scholars in the realm of international law on topics as diverse and current as the fusion of eastern and western civil disobedience to the concept of *jus cogens* Included in the 2015 edition researchers will find detailed guidance on a rich diversity of legal topics from the concept of universal jurisdiction over international crimes and the increased push for transparency in resolution of international economic disputes to the issue of religion and multiculturalism in Europe through a focus on Islam This edition also provides students scholars and practitioners alike a valuable combination of expert discussion and direct quotes from the court opinions to which that discussion relates This publication can also be purchased on a standing order basis

Ethics for International Business John Kline, 2010-07-27 The newly updated version of this groundbreaking textbook continues to provide a topical and relevant analysis of the ethical dimensions of conducting business in a global political economy From a starting point of applied ethics the book introduces a common set of normative terms and analytical tools for examining and discussing real case scenarios

Realizing Utopia Antonio Cassese, 2012-03-08 Realizing Utopia is a collection of essays by a group of innovative international jurists Its contributors reflect on some of the major legal problems facing the international community and analyse the inconsistencies or inadequacies of current law They highlight the elements even if minor hidden or emerging that are likely to lead to future changes or improvements Finally they suggest how these elements can be developed enhanced and brought to fruition in the next two or three decades with a view to achieving an improved architecture of world society or at a minimum to reshaping some major aspects of international dealings Contributions to the book thus try to discern the potential in the present legal construct of world society that might one day be brought to light in a better world As the impact of international law on national legal orders continues to increase

this volume takes stock of how far international law has come and how it should continue to develop The work features an impressive list of contributors including many of the leading authorities on international law and several judges of the International Court of Justice *Critical Theories, International Relations and 'the Anti-globalisation Movement'* Catherine Eschle, Bice Maiguashca, 2005 This book provides a definitive account of resistance movements across the globe Combining theoretical perspectives with detailed empirical case studies it explains the origins activities and prospects of the anti globalization movement
