Using Literature to Teach English as a Second Language Membrive, Veronica, Armie, Madalina, 2020-05-22. Innovation has replaced stereotypical and old methods as an attempt to make English language teaching and learning appealing, effective and simple. However, teaching a second language through literature may be a paramount tool to consolidate not only students' lexical and grammatical competences but also for the development of their cultural awareness and broadening of their knowledge through interaction and collaboration that foster collective learning.
