I, Monster David Taransaud, 2017-07-05 I Monster is a resource for all professionals in health and education who work with challenging young people The book aims to explain the issues behind challenging behaviour to enable empathy and to facilitate a more productive therapeutic relationship between the health education professional and the child I Monster is divided into three parts Part one suggests that our greatest foes lurk deep within ourselves and that knowing our own darkness is the best method for dealing with the darkness of other people Jung 1973 Part two focuses on the inner world of adolescents who use aggression to manage early terrors Part three explores approaches and strategies to help them heal the pain of the past Full of case studies as well as coverage of key concepts and

theory this book offers a fascinating insight into the minds of the young people you work with *Common Immunity* Roberto Esposito, 2023-06-08 After two years of global pandemic it is no surprise that immunization is now at the center of our experience From the medicalization of politics to the disciplining of individuals from lockdowns to mass vaccination programs contemporary societies seem to be firmly embedded in a syndrome of immunity To understand the ambivalent effects of this development it is necessary to go back to its modern genesis when the languages of law politics and medicine began to merge into the biopolitical regime we have been living under for some time This regime places a high priority on immunization and security no security is more important than health security The Covid 19 pandemic has taken the dynamic of immunization to a new level for the first time in history we see societies seeking to achieve generalized immunity in their entire populations through vaccination This allows us to glimpse the possibility of a common immunity that strengthens the relation between community and immunity The dramatic tensions we have experienced in recent years between security and freedom norm and exception power and existence all refer to the complex relationship between community and immunity the decisive features of which are reconstructed in this book Building on the prescient argument originally developed two decades ago in *Immunitas* Roberto Esposito demonstrates in this new book how the pandemic and our responses to it have brought into sharp relief the fundamental biopolitical conditions of our contemporary societies *Journal of Tropical Medicine* ,1907 **The Heart of Black Preaching** Cleophus J. LaRue, 1999-11-01 Cleophus LaRue argues that the extraordinary character of black preaching derives from a distinctive biblical hermeneutic that views God as involved in practical ways in the lives of African Americans This hermeneutic he believes has remained constant since the days of slavery LaRue analyzes the distinct characteristics of African American preaching and brings the insights of both theory and practice to bear on this important subject matter **American Medical Biographies** Howard Atwood Kelly, Walter Lincoln Burrage, 1920 *Advances in Fashion and Design Research* Ana Cristina Broega, Joana Cunha, Hélder Carvalho, Bernardo Providência, 2022-10-19 This book offers a multidisciplinary perspective on research and developments at the interface between industrial design textile engineering and fashion It covers advances in fashion and product design and in textile production alike reporting on smart and sustainable industrial procedures and 3D printing issues in marketing and communication and topics concerning social responsibility sustainability emotions creativity and education It highlights research that is expected to foster the development of design and fashion on a global and interdisciplinary scale Gathering the proceedings of the 5th International Fashion and Design Congress CIMODE 2022 held on July 4 7 2022 in Guimarães Portugal this book offers extensive information and a source of inspiration to both researchers and professionals in the field of fashion design engineering communication as well as education House documents ,1886
