[Endurance](#) Scott Kelly,2017-10-17 NATIONAL BEST SELLER A stunning personal memoir from the astronaut and modern day hero who spent a record breaking year aboard the International Space Station a message of hope for the future that will inspire for generations to come The veteran of four spaceflights and the American record holder for consecutive days spent in space Scott Kelly has experienced things very few have Now he takes us inside a sphere utterly hostile to human life He describes navigating the extreme challenge of long term spaceflight both life threatening and mundane the devastating effects on the body the isolation from everyone he loves and the comforts of Earth the catastrophic risks of

colliding with space junk and the still more haunting threat of being unable to help should tragedy strike at home an agonizing situation Kelly faced when on a previous mission his twin brother's wife American Congresswoman Gabrielle Giffords was shot while he still had two months in space Kelly's humanity compassion humor and determination resonate throughout as he recalls his rough and tumble New Jersey childhood and the youthful inspiration that sparked his astounding career and as he makes clear his belief that Mars will be the next ultimately challenging step in spaceflight In *Endurance* we see the triumph of the human imagination the strength of the human will and the infinite wonder of the galaxy

Ethnographic Film Karl G. Heider, 2009-04-20 From reviews of the first edition *Ethnographic Film* can rightly be considered a film primer for anthropologists' Choice This is an interesting and useful book about what it means to be ethnographic and how this might affect ethnographic filmmaking for the better It obviously belongs in all departments of anthropology and most ethnographic filmmakers will want to read it *Ethnohistory* Even before Robert Flaherty released *Nanook of the North* in 1922 anthropologists were producing films about the lifeways of native peoples for a public audience as well as for research and teaching *Ethnographic Film* 1976 was one of the first books to provide a comprehensive introduction to this field of visual anthropology and it quickly became the standard reference In this new edition Karl G Heider thoroughly updates *Ethnographic Film* to reflect developments in the field over the three decades since its publication focusing on the work of four seminal filmmakers Jean Rouch John Marshall Robert Gardner and Timothy Asch He begins with an introduction to ethnographic film and a history of the medium He then considers many attributes of ethnographic film including the crucial need to present whole acts whole bodies whole interactions and whole people to preserve the integrity of the cultural context Heider also discusses numerous aspects of making ethnographic films from ethics and finances to technical considerations such as film versus video and preserving the filmed record He concludes with a look at using ethnographic film in teaching

Aesthetic Hybridity in Mughal Painting, 1526-1658 Valerie Gonzalez, 2016-03-03 The first specialized critical aesthetic study to be published on the concept of hybridity in early Mughal painting this book investigates the workings of the diverse creative forces that led to the formation of a unique Mughal pictorial language Mughal pictoriality distinguishes itself from the Persianate models through the rationalization of the picture's conceptual structure and other visual modes of expression involving the aesthetic concept of mimesis If the stylistic and iconographic results of this transformational process have been well identified and evidenced their hermeneutic interpretation greatly suffers from the neglect of a methodologically updated investigation of the images' conceptual underpinning Valerie Gonzalez addresses this lacuna by exploring the operations of cross fertilization at the level of imagistic conceptualization resulting from the multifaceted encounter between the local legacy of Indo-Persianate book art the freshly imported Persian models to Mughal India after 1555 and the influx of European art at the Mughal court in the sixteenth and seventeenth centuries The author's close examination of the visuality metaphysical order and aesthetic language of Mughal imagery and portraiture

sheds new light on this particular aspect of its aesthetic hybridity which is usually approached monolithically as a historical phenomenon of cross cultural interaction That approach fails to consider specific parameters and features inherent to the artistic practice such as the differences between doxis and praxis conceptualization and realization intentionality and what lies beyond it By studying the distinct phases and principles of hybridization between the variegated pictorial sources at work in the Mughal creative process at the successive levels of the project intention the practice realization and the result product the author deciphers the modalities of appropriation and manipulation of the heterogeneous elements Her unique *On Visualization* Erna Fiorentini,2021-12 As an invitation to explore the all encompassing term textit visualization from a new vantage point this book suggests a topological approach to identify individual domains in the global stream of visualization practices and intentions Here particular and often hidden partly non visual or non visible forms emerge as individual distinct modes of visualizing that go beyond infographics as the idea informing most of the today understanding of visualization These modes offer frames in which to put the phenomenon of visualization with a view to notions more appropriate to the plurality of its manifestations **Design Elements** Timothy Samara,2007-04-01 The graphic design equivalent to Strunk What Are They and What Do They Do 20 Basic Rules of Good Design Form and Space The Basics Color Fundamentals Choosing and Using Type The World of Imagery Putting it All Together Essential Layout Concepts The Right Design Choices 20 Reminders for Working Designers and Breaking the Rules When and Why to Challenge all the Rules of this Book
