The Complete Guide to Currency Trading & Investing Martha Maeda,2011

Currency trading is the practice of exchanging one country s currency for another s

The foreign exchange

Currency

Forex or FX market is the largest trading market in the world exceeding 3 2 trillion every single day

Essentially there are four variables involved

currencies

exchange rate

time and interest rate

The relationships of these variables create opportunities for small investors to obtain investment returns that are unheard of in the traditional investment world

You owe it to yourself and your family to begin learning about currency trading

You can get started with just 100 and the investment can easily be managed in a part time capacity usually requiring a few hours on the Internet a week from your home or your office

Currency investments can provide you with a very high and secure rate of return in some cases as high as 12 percent 18 percent 24 percent or even 1 000 percent every year

This all sounds great but what is the catch

There really is none

You just have to know what you are doing

This groundbreaking and exhaustively researched new book will teach you everything you need to know to get you started

In no time you will be generating high investment returns with low risk from start to finish

You will discover what currency trading is how to invest

Wachtel,2012-09-04 FXstreet Com s 2013 Best Book Award The Sensible Guide to Forex Safer Smarter Ways to Survive and Prosper from the Start is written for the risk averse mainstream retail investor or trader seeking a more effective way to tap forex markets to improve returns and hedge currency risk As the most widely held currencies are being devalued they re taking your portfolio down with them unless you re prepared For traders the book focuses on reducing the high risk complexity and time demands normally associated with forex trading For long term investors it concentrates on how to hedge currency risk by diversifying portfolios into the strongest currencies for lower risk and higher capital gains and income The usual forex materials don t provide practical answers for most retail traders or longer term investors Virtually all forex

trading materials focus on time consuming high leverage high risk methods at which most traders fail Materials about long term investing in foreign assets rarely take into account the prospects of the related currency A falling currency can turn an otherwise good investment into a bad one Throughout the book the emphasis is on planning and executing only low risk high potential yield trades or investments and avoiding serious losses at all costs Packed with richly illustrated examples every step of the way and including additional appendices and references to online resources the book is the ultimate guide to forex for retail traders and investors seeking to tap forex markets for better currency diversification and income Provides traders with safer smarter less complex and time consuming ways to trade forex with higher odds of success These include the use of such increasingly popular new instruments like forex binary options and social trading accounts that mimic expert traders Shows investors how to identify the currencies most likely to hold or increase their value and provides a wealth of ideas about how to apply that knowledge to a long term low maintenance portfolio for both income and capital appreciation Helps anyone seeking an asset class with low correlation to other markets by explaining how the very nature of forex markets means that regardless of market conditions there s always a playable trend somewhere regardless of what other asset markets are doing and how to find and exploit it for a short term trade or a long term investment in a currency pair stock bond or other asset The Sensible Guide to Forex is only book that teaches mainstream risk averse investors and traders how to build a portfolio that s diversified by currency exposure as well as by asset class and sector via a variety of safer simpler methods to suit different needs risk tolerances and levels of expertise Written by Cliff Wachtel a 30 year financial market writer advisor and analyst The Sensible Guide to Forex offers practical solutions to the above dilemmas faced by every serious prudent investor A must own for any informed investor but don t take out word for it see advanced reviews at <http://thesensibleguidetoforex.com> review
