Television Guide Inauguration:

TV Guide Stephen F. Hofer, 2006 This book looks at the origins and growth of television through the pages of TV Guide and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9 2005 It includes full color reproductions of every cover ever printed and is both a collector's guide with pricing included and a retrospective view of the medium

Television Histories Gary R. Edgerton, Peter C. Rollins, 2021-09-15 From Ken Burns's documentaries to historical dramas such as *Roots* from A E's Biography series to CNN television has become the primary source for historical information for tens of millions of Americans today Why has television become such a respected authority What falsehoods enter our collective memory as truths How is one to know what is real and what is imagined or ignored by producers directors or writers Gary Edgerton and Peter Rollins have collected a group of essays that answer these and many other questions The contributors examine the full spectrum of historical genres but also institutions such as the History Channel and production histories of such series as *The Jack Benny Show* which ran for fifteen years The authors explore the tensions between popular history and professional history and the tendency of some academics to declare the past off limits to nonscholars Several of them point to the tendency for television histories to embed current concerns and priorities within the past as in such popular shows as *Quantum Leap* and *Dr Quinn Medicine Woman* The result is an insightful portrayal of the power television possesses to influence our culture

[The Hardest Job in the World](#) John Dickerson, 2021-03-23 NEW YORK TIMES BESTSELLER From the veteran political journalist and 60 Minutes correspondent a deep dive into the history evolution and current state of the American presidency and how we can make the job less impossible and more productive featuring a new post 2020 election epilogue This is a great gift to our sense of the actual presidency a primer on leadership Ken Burns Imagine you have just been elected president You are now commander in chief chief executive chief diplomat chief legislator chief of party chief voice of the people first responder chief priest and world leader You're expected to fulfill your campaign promises but you're also expected to solve the urgent crises of the day What's on your to do list Where would you even start What shocks aren't you thinking about The American presidency is in trouble It has become overburdened misunderstood almost impossible to do The problems in the job unfolded before Donald Trump was elected and the challenges of governing today will confront his

successors writes John Dickerson After all the founders never intended for our system of checks and balances to have one superior Chief Magistrate with Congress demoted to the little brother who can't keep up In this eye opening book John Dickerson writes about presidents in history such as Washington Lincoln FDR and Eisenhower and in contemporary times from LBJ and Reagan and Bush Obama and Trump to show how a complex job has been done and why we need to reevaluate how we view the presidency how we choose our presidents and what we expect from them once they are in office Think of the presidential campaign as a job interview Are we asking the right questions Are we looking for good campaigners or good presidents Once a candidate gets the job what can they do to thrive Drawing on research and interviews with current and former White House staffers Dickerson defines what the job of president actually entails identifies the things that only the president can do and analyzes how presidents in history have managed the burden What qualities make for a good president Who did it well Why did Bill Clinton call the White House the crown jewel in the American penal system The presidency is a job of surprises with high stakes requiring vision management skill and an even temperament Ultimately in order to evaluate candidates properly for the job we need to adjust our expectations and be more realistic about the goals the requirements and the limitations of the office As Dickerson writes Americans need their president to succeed but the presidency is set up for failure It doesn't have to be

Music in Television James Deaville, 2011-03 Music in Television is a collection of essays examining television's production of meaning through music in terms of historical contexts institutional frameworks broadcast practices technologies and aesthetics It presents the reader with overviews of major genres and issues as well as specific case studies of important television programs and events With contributions from a wide range of scholars the essays range from historical analytical surveys of TV sound and genre designations to studies of the music in individual programs including South Park and Dr Who
